

## CLEAR FORK HIGH SCHOOL Text Alerts through Remind.com

Clear Fork Schools has been using Remind.com to communicate events, alerts, and announcements in recent years. Remind.com has placed a ceiling on the maximum number (150) of subscribers to an account. In response, Clear Fork High School has created multiple accounts per graduating class. If you wish to receive information as described above please subscribe to the appropriate account as listed below. If you wish to only receive notices of closings and delays then you may also use WMFD <http://wmf.com.text>. School information may also be found on Twitter @HSCFVLS and the district web page <https://www.clearfork.k12.oh.us/>. We ask that no more than 2 per household sign up for the same account.

Please choose from the following:

	Text	Message
<b>Seniors</b>		
Class of 2021 last name beginning with A-L	81010	@b924b4
Class of 2021 last name beginning with M-Z	81010	@d6b92h
