

Clear Fork High School
Athletic Department
Jeff Gottfried-Athletic Director

Due to the changes in Remind, we are no longer able to have a single Remind group with more than 149 recipients which Athletics currently has in it. This means we needed to create Remind classes for each graduating year to be able to get information out to students, parents, and fans about Clear Fork High School and Middle School events.

Below is a list of each Remind Class that will service you specifically. Please choose the group that applies to you or your child/children. If you are **NOT** directly tied to a particular graduating class, you can sign up for the General Athletics group which will now hopefully stay below 149 recipients and you can receive General Athletic messages.

Everyone should still be able to get the same message, even if you are only a part of 1 group.
