

**Students on IEP/504
2020-2021**

Welcome Back!!

We wanted to take the opportunity to introduce ourselves and give important contact information for you and your son/daughter. Our team has developed a REMIND for parents/students on an IEP/504. Please sign up for this by texting at 81010 with message @cfhssped

There are three Intervention Specialists at the high school that service students on an IEP or 504. While we all have our “caseloads” of who writes which IEP’s, we each work with ALL students and are capable of fielding questions/concerns. **Our office hours will be daily 2:00-2:40 and are subject to change.**
