

**Mr. Hahn**  
**Algebra 1**

**CLASS INFORMATION**

You will need to use ZOOM daily to attend my class and to get instruction. You will then use Google Classroom to find and do assignments. You will basically do the following:

Go to Zoom by using/clicking on your Zoom app or search zoom.us and hit join a meeting

Put in this Meeting ID: **306-052-7895** and then THIS password: **Algebra1**.

You will be directed to my waiting room. Wait there until I admit you to the meeting/class.

There are several applications that we will be using in this course. You will be using Zoom, Google Classroom, and MathXL for school.

**GOOGLE CLASSROOM**

You will be invited to my Google Classroom and will need to accept the invite when you open Google classroom to see and do the assignments. This is where you will have access to my videos and links to the assignments.

**MathXL**

You will need to register and enroll into this course. Access codes will be provided. This is where you will be directed after you click the homework link in Google Classroom. You must sign in to the site each day to have access to the assignment. When you enroll in the course please write down your username and password in case you forget it later.

**SCHEDULE**

Class Periods will be as follows:

1st 7:40-8:40

2nd 8:40-9:40

3rd 9:40-10:40

7th 10:40-11:20

6th 11:20-12:00

5th 12:00-12:35 Lunch period student drivers with no remaining academic classes will be permitted to leave at this time.

4th 12:35-1:10 Lunch period student drivers with no remaining academic classes will be permitted to leave at this time.

**OFFICE HOURS**

Monday through Friday 2:00-2:40 through Zoom

I will open up a Zoom meeting daily at 2 pm to answer your questions about the content being taught and answer any homework questions you might have.

My Zoom Meeting ID is 306-052-7895. The password to enter the meeting is Algebra1.

## HOMEWORK

Assignments are given daily and are always due the following day. Links to assignments can be found under the "Classwork" tab at the top of this page. I use MathXL for School for most assignments, so you will need to log in to MathXL before you can complete the assignment.

### Account Information

#### 1st Mod

Zoom (zoom.us)	Meeting ID: 306-052-7895	Access Code: Algebra1
Google Classroom	Class Code: qomv3ez	You will get an invitation to join this course.
MathXL for School ( <a href="http://www.mathxlforschool.com">www.mathxlforschool.com</a> ) You will need to register as a student and enroll in my course. When you register, I suggest using your chromebook username and password.	Course ID: XL0A-815Y-1021-0043	Access Code is attached. You can find it on the sheet titled MathXL for School.

#### 2nd Mod (1st Semester)

Zoom (zoom.us)	Meeting ID: 306-052-7895	Access Code: Algebra1
Google Classroom	Class Code: z5yk6is	You will get an invitation to join this course.
MathXL for School ( <a href="http://www.mathxlforschool.com">www.mathxlforschool.com</a> ) You will need to register as a student and enroll in my course. When you register, I suggest using your chromebook username and password	Course ID: XL0A-8164-1021-6043	Access Code is attached. You can find it on the sheet titled MathXL for School.

#### 2nd Mod (2nd Semester)

Zoom (zoom.us)	Meeting ID: 306-052-7895	Access Code: Algebra1
Google Classroom	Class Code: 62fpjl6	You will get an invitation to join this course.
MathXL for School ( <a href="http://www.mathxlforschool.com">www.mathxlforschool.com</a> ) You will need to register as a student and enroll in my course. When you register, I suggest using your chromebook username and password	Course ID: XL0A-01UE-2021-8043	Access Code is attached. You can find it on the sheet titled MathXL for School.
