

**Welcome to 2nd Semester**

I wanted to take the opportunity to introduce myself and give important contact information for you and your son/daughter. Our team has developed a REMIND for parents/students on an IEP/504. Please sign up for this by texting at 81010 with message @cfhssped

There are three Intervention Specialists at the high school that service students on an IEP or 504. While we all have our "caseloads" of who writes which IEP's, we each work with ALL students and are capable of fielding questions/concerns.

Our office hours will be daily 2:00-2:40 and are subject to change.

**Information about me:**

Allison Hahn

I am in year 25 of teaching special education. I am a parent of a high school student and my husband also teaches at CFHS.
