April 9th

TIME:

8:00-3:00

WHERE:

Butler Elementary

125 College Street

Important Items to Note:

The child must be **3 and potty trained (unless they receive services through an IEP)**

An application must be picked up at Butler Elementary prior to the screening date and **returned by March 5th. Please include a copy of the child's birth certificate, social security number, and immunization records.**

Applications can also be found online https://cfcolts.org/?page_id=235

Once the application and other documents are returned, our building secretary will contact families to schedule screening times. A parent does NOT need to accompany their child. A family member or babysitter may do so too.

On screening dates, our teachers will greet your child at the front door and do a COVID Health assessment. They will then report to the preschool classroom. Parents may wait in their car in our parking lot. Masks are encouraged but not mandatory. Social distancing protocols will be observed.

Families will be notified by April 30th if they have a spot in our program.
