**district facility locations**  
**Proposal deadline: February 21, 2022 by 9AM**

The Clear Fork Valley Local School District is seeking quotes for the weekly mowing of the district's facilities for calendar year 2022. The contractor must currently be in the business of providing lawn maintenance services.

The selected contractor will be required to:

- Execute a contract with the Clear Fork Valley Local School District
- Maintain a General Liability Insurance (1,000,000 minimum) and Workers Compensation Insurance (\$100,000) and furnish proof of such insurance.

No contractor who is the recipient of Clear Fork Valley Local School District funds, or who proposes to perform any work or furnish any goods under this agreement shall discriminate against any worker, employee, applicant, or any member of the public because of race, color, sex, gender, sexual orientation, religion, age, marital status, national origin, veteran's status, physical or mental disability or perceived disability, or other criteria protected by law. Discriminatory practices based on the foregoing are declared to be contrary to the public policy of the District. The Clear Fork Valley Local School District complies with all Equal Employment Opportunity requirements. The Clear Fork Valley Local School District does not discriminate in the admission of, or employment in, its programs, activities or services. Minority and women owned businesses, as well as Contractors located in the District, Ohio, are encouraged to submit proposals.

Complete Proposals must be received no later than February 21, 2022 at 9AM and delivered to the District Board Offices, 211 School Street, Bellville, Ohio. Attention: Kevin Carr, Facilities Director. Proposals received after this deadline may be refused and deemed ineligible for consideration at the District's sole discretion.

The approximate area sizes for the scope are listed below, described above. Before submitting the request for proposal it is the contractor's responsibility to examine the scope of work and visit the site of the work to verify all existing area sizes, become familiar with the working conditions and the exact nature and extent of the work taking into account any special or unusual features peculiar to this project. By submitting a proposal, the contractor, if selected for award, shall be deemed to have accepted the terms of this RFP. In providing a quote, it is expected that "best practices" will be used in the performance of the work.

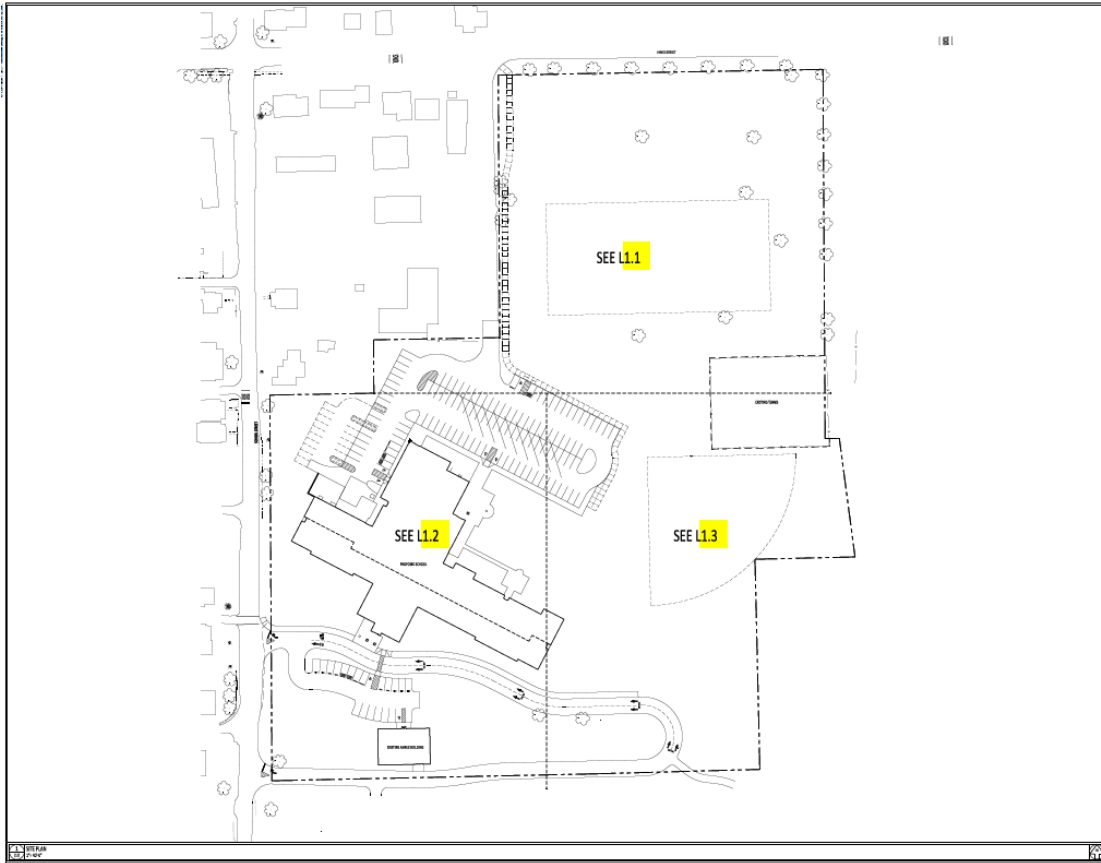

**SCOPE OF WORK:**

1. Contractor shall furnish all labor, equipment, and materials necessary to complete the scope of work, as specified herein.
2. Prior to each mowing, remove all litter and debris from lawn areas, and perform general upkeep of area.
3. Ensure that students are not present in the areas when the mowing is occurring.
4. Ensure grass is blown from buildings, walkways, trails, flowerbeds and parking areas into lawn areas (avoiding blowing clippings into flowerbeds and road ways).
5. Contractor is to string trim around all fences, trees, accessories, signs, etc. as present in each area.
6. Contractor is to ensure proper safety equipment is used and guards are in proper position on all mowers.
7. Base contract pricing to include a per week mowing of locations based on 1 (one) time per week; however, schedule may be altered (increased or decreased) per the District's request and/or as needed due to climatic conditions. Contract will be paid according to the actual number of mows in the preceding time period invoiced.
8. Grass heights will be set seasonally based on best practices and through communications with the District Facilities Director.
