2022-2023 Snow Removal and Spreading of Salt

Thank you for your interest in providing a quote for snow removal and spreading of salt for the 2022-2023 winter season. In addition to a quote for snow removal you will see a place to quote the contractor providing the salt due to limited storage at our locations.

Quotes will be received for this season until 9:00 AM on October 7, 2022 at the Clear Fork Valley Local Schools Board Office, 211 School Street, Bellville, OH 44813. Only quotes using the form on the follow page will be accepted. Quotes may either be mailed or delivered in person during the hours of 7:30 AM and 3:15 PM. Quotes delivered after these hours will not be accepted as date and time of delivery cannot be verified.

Prior to submitting a quote, it is the contractor's responsibility to:

1. Verify lot size and areas to be cleared
2. Verify with the Director of Physical Facilities where snow may be piled (contact number below)
3. Repairs for any damages to curbs, resetting or replacing parking blocks, and seeding & straw or sodding damaged grass areas in the spring at no cost to the District.

The snow accumulation depth for each plowing/salting will be mutually agreed upon through a discussion with the contact person listed on the quote form and the Director of Physical Facilities.

Final invoice payment will be withheld until all district property is returned. (ie. Keys to facilities)

Questions regarding the quote should be directed to Mr. Kevin Carr, Director of Physical Facilities, 419-886-4805 or 419-886-3855 extension 21.
