Randy Pore, Assistant Principal

Dear Parents and Students,

Welcome to Clear Fork Middle School for the 2023-2024 school year! Our theme this year is Catch Our Spirit, Be A COLT! COLT stands for Compassion, Opportunity, Leadership, and Trust, which are the core values we are trying to instill in our students.

We believe that every student has great potential and the staff at CFMS will work together to help students find their success! This starts by creating a safe and engaging place for students to learn. The staff will foster positive and nurturing relationships with the students while promoting critical thinking, problem solving, self advocacy, and good citizenship in order to compete in today's society.

Another component to student success is communication and collaboration with families. Information is shared with families in a variety of ways including Remind, Final Forms, ProgressBook, the school website, Clear Fork Schools Facebook page, and the middle school Twitter page. All staff are available by email and we welcome your calls.

This handbook will provide information about the operation, expectations, and policies of the middle school. We encourage parents and students to review the contents of the handbook together. We are looking forward to working with you and your child this year and providing your child with a variety of experiences to help them grow academically and as a person!

Sincerely,

Jennifer Klaus

Cancellation of School

Cancellation of school takes place only during circumstances such as extreme weather, equipment failure or public crisis. Information will be sent out using Remind and this will provide you with the most up-to-date information. The following radio stations will broadcast the school cancellation: WMAN, and WVNO.

Arrival Procedures

Car Riders: Students being dropped off in the morning are to be dropped off at the front doors of the middle school. We ask that you pull up to the first cone on the sidewalk so that 5 cars may drop off at the same time reducing the line of traffic out front.

Bus Riders: Students riding the bus are dropped off at the back doors behind the school.

All students who are getting breakfast are expected to get breakfast as soon as they are dropped off and exit the cafeteria immediately. Students are to wait by the MS office until the 7:20am bell rings. At that time they may go to their lockers and their first period class.

Dismissal Procedures

Car Riders: Students who are being picked up will be picked up at the North doors on the side of the building. Parents should pull around the back and create a single line up starting at the doors. A double line up is not permitted due to safety issues. Students may wait on the concrete pad or inside the doors until their parents pull up.

Bus Riders: Students may exit the front doors of the building and walk along the sidewalk to get to their bus. Students may not cross in front of any buses.

Students Staying After School or Riding with a Sibling: Students must wait in the hallway between the library and the office until dismissed by a staff member after the buses have pulled out. Students are expected to line up against the walls so that they do not block others from walking down the hallway.

Arriving Late and Leaving Early Procedures

Any student arriving at school after 7:35am must sign in at the office and get a pass to go to class. A parent does not need to sign them in, the student can sign themselves into school. If a student needs to leave early for the day or for an appointment, the parent will need to sign them out in the office.

Attendance Notes

For all absences and appointments, we are required to have a note from the parent. Please include the date of absence, the reason for the absence, the child's name, and parent signature. Notes can be dropped off in the office to the green "Notes" basket which is on the front counter.

Vacations

Vacation forms must be signed by the classroom teachers and building principal at least two weeks prior to a leave of school for vacation. The forms can be found at our office or online at cfcolts.org and submitted to the office.

Volunteers and Visitors

All parents, volunteers, and other visitors are welcome at Clear Fork Elementary. However, each year you will need to contact the Board of Education and schedule an appointment to be fingerprinted and have a background check completed. Once approved, we ask that you sign in and out at the office and get a visitor's pass. Please contact the office to find out what volunteer opportunities are available at the middle school.

Student Visitors

Visitors from other schools are welcome. However, the following procedures must be followed:

1. Student host must make arrangements with the principal prior to the visit.
2. Proper forms must be completed and submitted.
3. Visitors must report to the office upon arrival and departure to sign in and out.
4. There must be a legitimate purpose to any school visit.

School Fees

School Fees can be paid in person using check or cash. They can also be paid online using a credit card at payschoolscentral.com. There is a link on the district website. School fees paid by September 30 receive a \$10.00 discount. Fee waivers may be obtained for families who qualify for free lunches or who have children on Medicaid cards. Students may be denied participation in school activities such as field trips if fees have not been paid before September 30. Participation will resume once fees are paid. Board Policy addresses Student Fees, Fines and Charges. The change being presented is when a student drops a class, or is otherwise due a refund, that refund will be "rolled forward" to satisfy other charges that student or another family member may have, or would be applied to the fees for the next school year. A refund check will only be issued when there are no other siblings attending the school and all other charges and dues/fees have been satisfied. PLEASE NOTE: Outstanding school fees are carried over from year to year. Prior to graduation, students are required to pay off any outstanding fees before being awarded their high school diploma. Please pay your fees so that you do not get a surprise bill at the end of their academic career.

School and Personal Property

The school property is here for your convenience and benefit. Considerable effort has been made by the citizens of this school district to provide you with good furniture and equipment. Do not detach, destroy, or lessen its use or utility by your actions. Students will be asked to replace or repair property or furniture that has been needlessly marked, lost or destroyed. Take your share of responsibility for the attractive appearance of the school building and grounds.

Lockers

Students will be assigned a locker and will be responsible for the locker during the school year. Students must use only lockers assigned to them. The lockers are the property of the Clear Fork School System and are subject to inspection by authorized personnel. You are cautioned against having anything of value in your locker. The school is not responsible for items stolen from lockers. The only locks permitted on the lockers must be purchased in the office for \$6.00 each. The office will keep track of the combinations.

Cell Phone Policy and Electronic Devices

In order to preserve the teaching and learning environment the policy is: Cell phones/electronic devices may only be used for educational purposes in the classroom setting. If a student wishes to use their device for non educational purposes, they may do so before the morning bell rings, during lunch in the cafeteria, and after school. The use of cell phones is a privilege that may be revoked at any time. Cell phones/electronic devices must be turned OFF or silenced before you enter any classroom, office, library, locker room, lab, or auditorium. Teachers may request that students leave their cell phones in their lockers to eliminate distractions to the educational process. Students may use their phones if they receive permission from a staff member. Students should not take pictures or make any recordings with their phone without the permission of a staff member. Clear Fork electronic devices such as Chrome books are not permitted in the cafeteria during lunch. CFMS will promote socialization amongst peers by holding "Tech Free Tuesdays" during lunch. All electronic devices/cell phones are not permitted in the cafeteria during the lunch period on Tuesdays. Please see "Personal Property" section for additional information.

If a cell phone/electronic device rings, vibrates, or is used for any reason without teacher permission, or is visible anytime during class time or if a student is caught using it outside of permitted times, a staff member may confiscate the device. Refusal to surrender the phone when asked is considered insubordination. Insubordination may result in disciplinary consequences, including suspension. If confiscated, the device will be held in the office until the end of the school day. Students may pick up their phone at the end of the school day. Repeated offenses may result in other disciplinary actions where parents will be required to pick up the device and/or a Friday school will be issued.

Elevator Use

Students will not be permitted to use the elevator without permission from the office. If permission is granted to use the elevator, the student should be accompanied with one additional person for safety reasons. If another student is riding the elevator with the student, they should be the same gender.

Safety Drills

Safety drills are required and documented. When the Fire Alarm is activated teachers are to take students to the designated areas. Doors are to be closed and all students are to proceed quietly and quickly to their assigned area. Tornado drills are signaled by three quick blasts of the horn. Please proceed quietly and quickly to the designated area when the signal is given. Once in the designated area, please assume the safety position until the drill has come to a completion. Directions for exiting the area for fire and tornado drills are posted near the doorway in each room. At different times throughout the school year we will be conducting lockdown drills. Teachers will give specific information to students about the drill such as how to barricade and when to flee.

School Emergencies

All persons present in the building are to follow procedures established in the Clear Fork Valley School Safety Plan. Qualified personnel will issue instructions according to the School Safety Plan. Directions for Fire and Tornado Evacuation shall be posted near the door in each room. School emergencies such as fires, lockdowns, power outages, tornados, etc will be communicated to parents through Remind. Some emergencies that are outside of the school may require the school to be in a lockdown but will allow teachers to continue to teach and students will continue to move about the building with increased monitoring. Once the emergency is over, we will resume normal school operations. At no time should a student be out of a classroom or out of a staff member's line of sight during a lockdown.

A parent conference may also be held.

Cheating and Plagiarism

Any student reported by a teacher and found to be guilty of cheating or plagiarism will receive a grade of “0” for the assignment. Repeated offenses will result in further academic and/or discipline procedures.

Athletic Eligibility Policy for Students Enrolled in Grades 7 -8

The Clear Fork Valley Board of Education, to be in compliance with O.R.C.3313.535, establishes a minimum grade point average requirement for students participating in interscholastic athletics. The Board recognizes the values associated with and gained as a result of participation in various activities and also believes their participation adds to the success of students in the classroom.

A student enrolled in the 7th grade for the first time will be eligible for the first grading period regardless of previous academic achievement. Thereafter, a student in grades 7 – 8 must have received a passing grade in 75% of those subjects carried the preceding grading period in which a student was enrolled, and when those subjects are combined, must be a total grade point average of at least 1.25 on a four point (4.0) scale.

A student must be in attendance at school at least half a day (3.5 HOURS) on the day of a contest or practice. The Athletic Director or Principal will make special determinations. Home school students must be in attendance for the entire class period for the courses that they are enrolled.

Student Withdrawal

Students who are withdrawing from Clear Fork must obtain a withdrawal form from the office the beginning of the day, on the last day of attendance. This form will be used to document that all school materials have been returned. The student will not be considered withdrawn until a records request has come from the school they will be attending.

Student Rights and Responsibilities

Board Policy JF Last Revised 11/19/2020

Students, like all citizens, have civil rights guaranteed by the Constitution of the United States. The First Amendment, which ensures the freedom of religion, speech, press, assembly and petition, and the Fourteenth Amendment, which guarantees due process and equal protection, apply in school environments.

The rights of an individual are preserved only by the protection and preservation of the rights of others. A student is responsible for the way rights are exercised and must accept the consequences of actions and recognize the boundaries of rights. Each exercise of an individual's rights must demonstrate respect for the rights of others.

These statements set forth the rights of students and the responsibilities that are inseparable from these rights, which include the right to:

1. equal educational opportunity and freedom from discrimination and the responsibility not to discriminate against others;
2. attend free public schools; the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school;
3. due process of law with respect to suspension and expulsion;
4. free inquiry and expression and the responsibility to observe rules regarding these rights and
5. privacy, which includes privacy with respect to the student's school records.

As part of the educational process, students should be made aware of their legal rights and of the legal authority of the Board to make rules and delegate authority to its staff to make rules necessary for the orderly operation of the schools. A copy of the school discipline code is posted in each of the schools and given to each student. This code describes in detail the offenses for which disciplinary action may be taken. Copies of the code are available to any parent in the principal's office.

Equal Education Opportunities and Non Discrimination

Board Policy: Nondiscrimination AC Last Revised 11/19/2020

The Board's policy of nondiscrimination extends to students, staff, job applicants, the general public and individuals with whom it does business and applies to race, color, national origin, ancestry, citizenship status, religion, sex, economic status,

age, disability or military status. The Board does not discriminate on the basis of legally acquired genetic information. The Board does not permit discriminatory practices and views harassment as a form of discrimination. Harassment is defined as intimidation by threats of or actual physical violence; the creation, by whatever means including the use of electronic communications devices, of a climate of hostility or intimidation; or the use of language, conduct or symbols in such a manner as to be commonly understood to convey hatred, contempt or prejudice or to have the effect of insulting or stigmatizing an individual. Employees or students who engage in discrimination of another employee or student shall be subject to disciplinary action. Permission, consent or assumption of risk by an individual subjected to discrimination does not lessen the prohibition contained in this policy. No one shall retaliate against an employee or student because he/she files a grievance; assists or participates in an investigation, proceeding or hearing regarding the charge of discrimination of an individual; or because he/she has opposed language or conduct that violates this policy. Reports of discrimination and any questions about this matter should be directed to the Board Office at 419-886-3855.

Teacher Qualifications Available

In accordance with federal law parents may request information about the certification/licensure and qualifications of the teachers of their children. Parents interested in seeking this information should contact the Board of Education.

Directory Information

Ohio Revised Code Section 3319.321 (B) provides that “No person shall release, or permit access to, personally identifiable information other than directory information concerning any student attending public school...without the written consent of the parent, guardian, or custodian of each student who is less than eighteen years of age, or without the written consent of each such student who is eighteen years of age or older.” Ohio law working within the confines of the Federal Family Educational Rights and Privacy Act (FERPA), prohibits release of student records of any kind if the student’s parent, or 18-year-old student, informs the district that they do not consent to release of any or all of the information. Student directory information may be released unless the parent/legal guardian requests otherwise.

Student Behavior

Discipline- One of the most important lessons education teaches is discipline. Although it does not appear as a subject, it is a part of the whole educational structure. Discipline trains and develops self-control, character, orderliness and efficiency. With an understanding of the purposes of discipline in a school, you will form a correct attitude towards it, and not only do your part in making your school an effective place of learning, but develop the habit of self restraint which will make you a better person.

Rules of Conduct- Every student should strive to be considerate of others. Making inappropriate or loud noises, slamming doors, running in the halls, marking on the desks, walls, floors and lockers, and talking while someone else is speaking are examples of behavior that good school citizens avoid. Strive to show that you are responsible and considerate.

Positive Behavior Interventions and Supports (PBIS)- Clear Fork Middle School implements PBIS which “ is an evidence-based, tiered framework for supporting students’ behavioral, academic, social, emotional, and mental health. When implemented with fidelity, PBIS improves social emotional competence, academic success, and school climate. It is a way to create positive, predictable, equitable and safe learning environments where everyone thrives.” From <https://www.pbis.org/pbis/what-is-pbis> Specific information related to PBIS in the middle school can be found on the schools website and in newsletters.

Authority of Adult School Employees

All of the adults employed by Clear Fork Valley Local Schools have certain responsibilities to the school. In order to carry out these responsibilities, they have certain authority to correct students if the need arises. If an adult employee corrects a student, whether the employee is faculty, clerical, cafeteria staff, custodial staff, or a bus driver, the student is expected to accept such correction. The same consideration is expected if the adult is a substitute staff member or a parent volunteer.

Student Code of Conduct

In accordance with O.R.C. 3313.66

The rules and standards set forth apply to conduct on school premises or on school buses or involving school property, to conduct off school premises, which directly affect other students or the school, and to conduct at school functions of any kind. Hazing and Bullying

(Harassment, Intimidation and Dating Violence) Board Policy JFCF Last Revised 11/19/2020

Hazing means doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Throughout this policy the term bullying is used in place of harassment, intimidation and bullying. Bullying, harassment and intimidation is an intentional written, verbal, electronic or physical act that a student has exhibited toward another particular student more than once. The intentional act also includes violence within a dating relationship. The behavior causes mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. This behavior is prohibited on school property, on a school bus or at a school-sponsored activity.

Students found responsible for harassment, intimidation or bullying by an electronic act may be suspended. Discipline procedures will not infringe on any student's rights under the First Amendment to the Constitution of the United States. When the behavior is sexual harassment, the Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process. Permission, consent or assumption of risk by an individual subjected to hazing, bullying and/or dating violence does not lessen the prohibition contained in this policy.

The District includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7 to 12. This instruction includes recognizing warning signs of dating violence and the characteristics of healthy relationships.

Prohibited activities of any type, including those activities engaged in via computer and/or electronic communications devices

or electronic means, are inconsistent with the educational process and are prohibited at all times. The District educates minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response.

No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing and/or bullying activities. No students, including leaders of student organizations, are permitted to plan, encourage or engage in any hazing and/or bullying. Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include hazing, bullying and/or dating violence. If any of the prohibited behaviors are planned or discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all such activities immediately. All hazing, bullying and/or dating violence incidents are reported immediately to the principal/designee and appropriate discipline is administered.

Title VI, Title IX, Section 504

Pursuant to the requirement of Title VI, Title IX, and Section 504, the Clear Fork Valley Local School District has a policy of nondiscrimination that extends to students, staff, the general public and individuals with whom it does business. The policy of nondiscrimination applies to race, national background, religion, sex, economic status, age and handicap.

The district has formal procedures for reviewing any concerns in these areas. The Title VI, Title IX and Section 504 Coordinator is the Superintendent of Clear Fork Valley Schools, telephone 419-886-3855.

Penalties of Misconduct

The following criteria are to be considered practical options when dealing with student misbehavior. These are not to be thought of as the only alternatives but looked at as a guide to correct student behavior. Student behavior that is severe or misbehavior that continues will result in stricter disciplinary measures being taken. Examples of possible penalties include:

- Lunch Detention
- Friday School
- In-School Detention
- Out-Of-School Suspension
- Emergency Removal
- Expulsion From School
- Alternative School

Lunch Detention

Lunch Detentions are assigned at the discretion of teachers and staff. Students who are assigned a lunch detention should get their lunch immediately and report to the assigned area.

Friday School

Friday School is held at the Clear Fork Middle School from 2:45 P.M. until 4:45 P.M. Students are to report to the designated area before 2:45. The session will be supervised by a certified teacher and all school rules will be enforced. Students/Parents are responsible for their own transportation. The following rules will apply to Friday School:

1. Assignments to a Friday School are to be made by staff members and/or principals only.
2. Failure to serve Friday School will result in a more serious consequence (doubled Friday School or out of school suspension) depending on the student's previous discipline record.
3. Students should contact their teachers about getting assignments so they can do constructive work in Friday School. Appropriate reading materials for Friday School include textbooks, library books, suitable paperback books and/or magazines used in conjunction with a homework assignment. Students will not be permitted to go to their lockers. Students who fail to bring appropriate or sufficient work will be dismissed.
4. Students who communicate in any way, pass materials of any kind, do not appear to keep busy, or put their heads down will be warned. A second violation for any offense will result in dismissal with no credit given for the time spent and an additional Friday School will be assigned.
5. Students who are caught sleeping will be dismissed without warning and an additional Friday School will be assigned. All regular school rules as printed in the student handbook are in effect. The Friday School supervisors are in charge and any refusal to comply with their instructions will result in dismissal. Any severe disruption of Friday School will result in a suspension (in-school or out of school) depending on the student's previous discipline record.
6. Students will sign the Friday School attendance sheet when they arrive.
7. Students must be given at least one day advance notice of an upcoming Friday School assignment. This means Thursday notice prior to assigned Friday School is acceptable.
8. Students will be dismissed promptly at 3:45 and 4:45. Parents must arrive by that time to pick up their students.

Student Suspensions

Board Policy JGD Last Revised 11/19/2020

The Superintendent, principals, assistant principals and other designated administrators may suspend a student from school for disciplinary reasons outlined in the student code of conduct. A student cannot be suspended from school solely because of unexcused absences. When an employee has actual knowledge that the behavior is sexual harassment, the Title IX Coordinator must be contacted. The Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.

No period of suspension is for more than 10 school days. If, at the time a suspension is imposed, fewer than 10 days remain in the school year, the Superintendent cannot apply any or all of the period of suspension to the following year.

The Superintendent may instead require a student to perform community service or another alternative consequence for the number of hours remaining in the student's suspension. The Board directs the Superintendent to develop a list of alternative consequences that may be used. If the student is required to perform community service or another alternative consequence during the summer, he/she will be required to begin serving the consequence during the first full weekday of summer break. If a student fails to complete the community service or assigned alternative consequence, the Superintendent may determine the next course of action but still cannot require the student to serve the remaining time of the out-of-school suspension at the beginning of the following school year.

Beginning with the 2019-2020 academic year, the District will reduce the number of out-of-school suspensions for non-serious offenses, as defined by State law, for students in grades pre-K through three in accordance with State law. Such out-of-school suspensions will be eliminated by the 2021-2022 school year.

Whenever possible, principals will consult with a mental health professional under contract with the District or school prior to suspending a student in grades pre-K through three. If needed, the principal or mental health professional will assist the student's parent in locating additional mental health services.

The District permits students to complete any classroom assignments missed due to suspension. Students will receive at least partial credit upon completion of any assignment missed due to suspension. The Board directs the Superintendent to develop written procedures for completing and grading these assignments. Grade reductions are permitted, but students will not receive a failing grade on a completed assignment solely due to the student's suspension.

The guidelines listed below are followed for all out-of-school suspensions.

1. The student is informed in writing of the potential suspension and the reasons for the proposed action.
2. The student is provided an opportunity for an informal hearing to challenge the reason for the intended suspension

- and explain his/her actions.
3. An attempt is made to notify the parent(s) by telephone if a suspension is issued.
 4. Within one school day, a letter is sent to the parent(s) stating the specific reasons for the suspension and including notice of the right to appeal such action.
 5. Notice of this suspension is sent to the:
 - a. Superintendent and
 - b. student's school record (not for inclusion in the permanent record).
 6. Permanent Exclusion - If the offense is one for which the District may seek permanent exclusion, the notice contains that information.

Appeal Procedure: Should a student or a student's parent(s) choose to appeal the principal's suspension, he/she must do so within 10 calendar days of the notice of suspension. The appeal shall be in writing and made to the Superintendent. If dissatisfied with the Superintendent's decision, an appeal may be made to the Board. At the request of the student or of the student's parent(s) or attorney, the meeting may be held in executive session. All witnesses are sworn and a verbatim record is kept of the hearing. The decision of the Board shall be acted upon at a public meeting. The student may be excluded from school during the appeal process.

Student Expulsions

Board Policy JGE Last Revised 11/19/2020

At times, the behavior of a student can be considered so serious as to justify total removal from the educational program for a prolonged period of time. Actions meriting expulsion are outlined in the student code of conduct. A student cannot be expelled from school solely because of unexcused absences. When an employee has actual knowledge that the behavior is sexual harassment, the Title IX Coordinator must be contacted. The Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.

Only the Superintendent may expel a student. Expulsion is the removal of a student for more than 10 days, but not more than one year. An expulsion can extend beyond the end of the school year if there are fewer school days than expulsion days remaining. The Superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

The Superintendent may require a student to perform community service in conjunction with or in place of an expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school year.

Whenever possible, principals will consult with a mental health professional under contract with the District or school prior to expelling a student in grades pre-K through three. If needed, the principal or mental health professional will assist the student's parent in locating additional mental health services.

Beginning with the 2019-2020 academic year, the District will reduce the number of expulsions for non-serious offenses, as defined by State law, for students in grades pre-K through three in accordance with State law. Such expulsions will be eliminated by the 2021-2022 school year.

The Superintendent shall give the student and parent(s) written notice of the intended expulsion, including reasons for the intended expulsion. The student and parent(s) or representative have the opportunity to appear on request before the Superintendent/designee to challenge the action or to otherwise explain the student's actions. This notice shall state the time and place to appear, which must not be fewer than three days nor more than five days after the notice is given.

Within 24 hours of the expulsion, the Superintendent shall notify the parent(s) of the student and the Treasurer.

The notice shall include the reasons for the expulsion, the right of the student or parent(s) to appeal to the Board or its designee, the right to be represented at the appeal and the right to request that the hearing be held in executive session. The Superintendent will initiate expulsion proceedings against a student who has committed an act that warrants expulsion even if the student withdraws from school before the Superintendent has held the hearings or made the decision to expel the student.

Permanent Exclusion: If the offense is one for which the District may seek permanent exclusion, the notice shall contain that information.

Appeal to the Board: A student or a student's parent(s) may appeal the expulsion by the Superintendent to the Board or its designee. The expulsion appeal must be within 14 calendar days after the notice of intent to expel was provided to the student, parent, guardian or custodian. The appeal request shall be in writing to the Treasurer and at the request of the student or of the student's parent(s) or attorney, the meeting may be held in executive session. The student may be represented in all

such appeal proceedings and is granted a hearing before the Board or its designee. All witnesses are sworn and a verbatim record is kept of the hearing. The decision of the Board shall be acted upon at a public meeting. The student may be excluded from school during the appeal process.

Emergency Removal of a Student

Board Policy JGDA Last Revised 11/19/2020

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, the Superintendent, principal, assistant principal or personnel employed to direct, supervise or coach a student activity program may remove the student from the premises. When the behavior is sexual harassment as defined by Title IX regulations, the student may be removed on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

If either suspension or expulsion is contemplated, a due process hearing is held on the next school day after the removal is ordered. Written notice of the hearing and the reason for removal and any intended disciplinary action is given to the student as soon as practicable prior to the hearing. The student has the opportunity to appear at an informal hearing before the principal, assistant principal and the Superintendent/designee and has the right to challenge the reasons for the removal or otherwise explain his/her actions. The person who ordered or requested the removal is present at the hearing. Within one school day of the decision to suspend, written notification is given to the parent(s) of the student. This notice includes the reasons for the suspension and the right of the student or parent(s) to appeal to the Superintendent/designee.

If the Superintendent or principal reinstates a student prior to the hearing for emergency removal, the teacher may request, and is given, written reasons for the reinstatement. The teacher cannot refuse to reinstate the student.

In an emergency removal, a student can be kept from class until the matter of the alleged misconduct is disposed of either by reinstatement, suspension or expulsion. Students in grades pre-K through three may only be removed for the remainder of the school day and must be permitted to return the following school day. The District may only proceed with a related suspension or expulsion in compliance with State law. In all cases of normal disciplinary procedures in which a student is removed from a curricular or extracurricular activity for less than 24 hours and is not subject to further suspension or expulsion, due process requirements do not apply.

Student Dress Code

Students should dress for school in a modest manner that displays respect for themselves, their peers, their school and community. It is the belief of the school that some dress or attire may cause a distraction to the school day and the learning process or be a safety hazard. Furthermore, it is a belief that schools are a direct reflection of the standards and expectations of the community. To demonstrate that these standards and expectations are followed, the following guidelines will be enforced for the school day and school sponsored events. Students have the right to wear clothing and have an appearance that is comfortable and displays their personality as long as it fits within the following guidelines:

1. No clothing is to display any profanity, obscene or suggestive innuendos or sayings. There are to be no alcohol, drug references or references to weapons and/or violence on any item of clothing. Clothing and appearance may not be used to intimidate or create tension amongst the population.
2. Clothing must not pose a safety hazard and should not have deformities, loose straps, chains, or holes. All clothing should be worn as it is intended to be worn. Jeans with holes above fingertip length must have leggings or material underneath.
3. Tops are to have a modest neckline, no lower than three inches below the collarbone. Tops must cover the midriff when standing, sitting and when raising hand. Undergarments should never be visible. While sleeveless tops are acceptable, the shoulder seam area must be at least three inches wide.
4. Bottoms should be school appropriate and be worn at the waist. Students may wear pants/skirts intended for everyday casual or dress up as long as they have skirt/shorts that are at least fingertip length long. Once again, undergarments should never be visible.
5. Students are also to wear appropriate footwear. Appropriate footwear includes tennis shoes, dress shoes and sandals with an ankle strap. Footwear that is not appropriate includes slippers, shower shoes, flip flops, shoes with wheels and other items that may hinder walking.
6. During the normal school day, students are not permitted to wear outside coats, backpacks, hats, gloves and sunglasses. Hats are to be removed upon entering the building.
7. Backpacks, purses and other unnecessary items kept in their lockers.

Students who do not comply with the dress code regulations will be subject to disciplinary action and may be sent home to change. Time from school will be unexcused and make-up work will not be accepted. The decision regarding the appropriateness is at the discretion of the principal.

Administering Medicines to Students

Board Policy JHCD-R -4 Last Revised 11/15/2012

MEDICATION ADMINISTRATION OF NONPRESCRIPTION MEDICATIONS:

In compliance with policy JHCD: Medication Administration to Students, the Board of Education urges parents to schedule a student's medication outside of school hours. Parent-recommended, over-the-counter short-term medications such as pain relievers, anti-inflammatory medications, and antihistamines may give symptomatic relief to students, thereby enabling learning and reducing classroom disruptions. These medications may be administered without written instructions from a licensed physician if administered in accordance with the following:

1. There shall be written instructions from the parent or guardian on the Medication Administration Authorization form specifying the medication, the amount of medication to be given, the time and frequency in which it may be taken,

- and the reason for its administration.
2. The medication shall be in its original container with its original label.
 3. The medication shall be stored and secured in the office/clinic. Medication must be picked up at the end of the school year or it will be disposed of.
 4. New forms must be submitted each school year and with each new medication. New forms must be submitted when any changes occur in the original medication, dose, or time.
 5. The person designated to administer the medications shall maintain documentation on the medication log.
 6. No employee who is authorized by the Board to administer medication is liable for the benefits/consequences of the medication when it is parent-prescribed.

LIFE THREATENING ALLERGIES:

Parents are responsible for informing the school of their child's allergies; especially life threatening allergies to bee stings and peanuts or other foods.

In the case of ALLERGIES, the PARENTS ARE RESPONSIBLE for providing the school with the allergy medication and a doctor's statement about how the medication is to be administered.

In the case of allergies requiring an EPI-PEN or Antihistamine, the PARENTS ARE RESPONSIBLE for providing the school with the medication and doctor's orders for administering the medication.

EMERGENCY MEDICAL AUTHORIZATION FORM

These forms are sent home the first week of school. Parents are required by law to have this form on file at school. If any information changes, please keep us informed.

Immunizations

- MMR'S – 2 doses
- DTP/DtaP injections – 5 doses
- POLIO VACCINE – 4 doses
- HEPATITIS B – 3 doses
- VARICELLA – 2 doses

Children who do not have evidence of proper immunizations will be excluded from school after 15 days. Students must have a TB Test on record after the age of four.

Immunization exemption forms are available in the office for medical, philosophical or religious objections to immunizations.

Recommended Guidelines for Keeping Children Home

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illness (es) while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the recommendations of the School Nursing Services.

CHICKEN POX: A skin rash consisting of small blisters that leave scabs. A slight fever may or may not be present. There may be blisters and scabs all present at the same time. Your child should remain home until all blisters have scabbed over, usually 5-7 days after the appearance of the first crop of blisters.

COMMON COLD: Irritated throat, watery discharge from the nose and eyes, sneezing, chilliness and general body discomfort. Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn. Medical care should be obtained if symptoms persist beyond 7-10 days, fever develops, or discharge becomes yellow to green.

COVID 19: Temperature above 100.0, cough, chills, muscle pain, shortness of breath or difficulty breathing, sore throat, loss of taste or smell. Symptoms can range from mild to severe and appear 2-14 days after you are exposed to the virus. Seek medical care for the most accurate diagnosis.

FEVER: If your child's temperature is 100 degrees Fahrenheit or greater (or 1 or 2 degrees above the child's normal temperature) she/he should remain home until she/he has been without fever for a full 24 hours without fever reducing medications. Remember, fever is a symptom indicating the presence of an illness.

FLU: Abrupt onset of fever, chills, headache and sore muscles. Runny nose, sore throat and cough are common. Your child should remain home from school until symptoms are gone and the child is without fever for 24 hours.

HEAD LICE: If a child is found to have head lice and/or nits, the parent will be notified by phone. The child may remain at school with nits identified and at the discretion of school personnel if live lice are seen. IT IS THE EXPECTATION THE CHILD WILL BE

TREATED THAT EVENING AND WILL RETURN TO SCHOOL THE NEXT DAY. There are NO excused absences associated with head lice treatment. Information on treatments and measures to get rid of head lice will be provided to the parent. The school nurse can also provide information. A parent must accompany the child to school the following day. If there is no active infestation and the number of nits is decreased, the child will remain in school. Please see the Board Policy JHCCB for more information on the policy.

IMPETIGO: Blister-like lesions that later develop into crusted pus-like sores. Your child should remain home from school until receiving 48 hours of antibiotic therapy and sores are no longer draining. PAIN: If your child complains, or behavior indicates that she/he is experiencing persistent pain, she/he should be evaluated by a physician before your child is sent to school.

PINKEYE: Redness and swelling of the membranes of the eye with burning or itching discharge coming from one or both eyes, or crusts on the eyelids. Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eyes has stopped. Spread of infection can be minimized by keeping the hands away from the face, good hand washing practices, using individual washcloths and towels, and NOT touching any part of the eyes with the tip of the medication applicator while administering the antibiotic ointment.

RINGWORM: Student must be under treatment and the area covered to participate at school. SKIN RASHES: Skin rashes of unknown origin accompanied by a fever should be evaluated by a physician before your child goes to school.

STAPH INFECTIONS: Students may return after 24 hours of treatment. All open sores must be covered with a bandage.

STREP THROAT AND SCARLET FEVER: Strep throat begins with fever, sore and red throat, pus spots on the back of the throat and tender swollen glands of the neck. With scarlet fever, there are all the symptoms of strep throat as well as a strawberry appearance to the tongue and rash of the skin. High fever, nausea and vomiting may also occur. Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until without fever or vomiting for 24 hours. Most physicians will advise rest at home 1-2 days after a strep infection. Antibiotics ordered for strep infections are to be taken for 10 days or until all medication is gone. Only when these directions are followed correctly is the strep germ completely eliminated from the body, no matter how well the child feels after the first few days of receiving medication.

UPPER RESPIRATORY TRACT INFECTION: Children with mild cases may remain in school even if it is associated with green or yellow nasal discharge, as long as the child does not have a fever. If the child has a persistent cough lasting more than 5 days or with a fever, a more serious illness may be present and requires a physician's evaluation before returning to school.

VOMITING AND DIARRHEA (INTESTINAL VIRAL INFECTIONS): Stomach ache, cramping, nausea, vomiting and/or diarrhea, possible fever, headache, and body aches. Your child should remain at home until without vomiting, diarrhea or fever for a full 24 hours without medication. If your child has had any of these symptoms during the night she/he should not be sent to school the following day.

CONSULT YOUR PHYSICIAN FOR THE MOST ACCURATE DIAGNOSIS AND TREATMENT.

Attendance Policy

The State Board of Education has adopted regulations governing excuses from future school attendance and past absence from school that is outlined within the Ohio Revised Code Section 3221.04. These rules and regulations are binding upon the authorities empowered to issue excuses from attendance. The following, taken from the Ohio Revised Code, indicates the regulations governing excused from past absence from school.

- A. The explanation of each past absence shall be made in writing by the parent to the Superintendent of Schools or to the person designated by him to approve or disapprove past absences.
- B. An excused absence from school may be approved on the basis of one or more of the following conditions:
 - a. Personal illness. The approving authority may require the certificate of a doctor if he/she deems it advisable.
 - b. Illness in the family.
 - c. Quarantine in the home.
 - d. Death of a relative.

- e. Act of God
 - f. Observance of a religious holiday.
 - g. An emergency or set of circumstances that prevents a student's attendance. The principal or assigned attendance officer shall be charged with the responsibility of notifying students and parents of the student's attendance. The principal shall hear any appeal from the policy and make recommendations in fairness to the student and the policy.
 - h. Students are required to complete a request for absence form **in advance** if they will be absent for any of the following reasons: family vacation, funerals, religious observance, family member in the service, athletic event in which Clear Fork High School is participating, or other as approved by the principal. Students must have this form signed by a parent/guardian and return it with a letter of explanation five days prior to the absence, when possible. When it is returned to the office, it will be approved by a principal and returned to the student to present to his or her teachers in order to receive assignments. It is the student's responsibility to make arrangements with teachers for the makeup of work. The completed assignment sheet must be returned to the office prior to the absence.
- C. Unexcused absences are those not approved by the school or the State code. Unexcused absences usually consist of, but are not limited to: oversleeping, missing a ride, shopping, car trouble, non-medical appointments, and jobs. Needed at home is not an excused absence. Personal business must be specified to the administration. All unexcused absences will result in a grade of zero for all missed work.
- D. Absences shall be construed to mean anytime a student is not physically present in the building, other than school business, such as:
- a. Illness.
 - b. Vacations – Parents and students are urged to take their vacations during the scheduled times on the school calendar. If this is impossible, the student must present a note signed by the parent or legal guardian two weeks prior to the time of absence and fill out the necessary form to take to the teacher(s). If the principal approves the vacation, all work can be made up. It is the student's responsibility to make arrangements with teachers for the makeup of work.
- E. Any time a student is absent from school or class because of a school function (field trips, college visitations, career days) he or she will not be counted absent.
- F. Early dismissals must be approved by the principal or assistant principal prior to the beginning of the school day. If a student is needed at home or has an appointment, the parent or an appropriate representative must sign the student out. If a student leaves school for an early dismissal that time will be deducted from his/her attendance for that day.
- G. Students must be in attendance at least ½ day to participate in after school activities. One half day of a school day is defined as an amount of time equaling 3.5 hours.
- H. The Board of Education feels that in order for a student to be an effective learner, the student must be in attendance in the classroom to receive the benefits of a teacher's instruction.
- a. School sends notice of medical status at ten days. Students without a medical excuse will be counted as unexcused. Students will receive zeros for every day missed without a medical note.
 - b. Tardies are defined as arrival at 7:35 or after and 5 unexcused tardies will result in a Friday School.
 - c. Attendance at Clear Fork Middle School is taken period by period and the teacher's attendance record will serve as a source of accurate attendance information.
- I. A student will be excused to attend state sponsored athletic tournaments in which Clear Fork Middle School is competing, provided that the student has parent/guardian permission as evidenced by an advance request for absence and is in compliance with the attendance policy.

Richland County Court of Common Pleas: SCHOOL/JUVENILE COURT ATTENDANCE TRUANCY PROCESS

- I. WARNING LETTER – School to send warning letter after 12 hours of unexcused absences.
- II. ATTENDANCE/TRUANCY EDUCATION PROGRAM (TEP)– Parents will be sent a letter to attend the program after the student has 65 hours (or 30 consecutive, or 38 in a month) unexcused hours..
- III. OFFICIAL COMPLAINT (Informal Court Conference) - To be scheduled for any student whose parent does not attend the Truancy Education Program (TEP) and/or for any student who has attended the program in the past and has accumulated additional unexcused absences after 72 hours (or 30 consecutive or 42 hours in a month).
- IV. OFFICIAL HEARING – To be held against any student/parent who does not attend the Informal Court Conference and/or has failed to comply with the Informal Court Conference plan. Parents may also be held accountable through the Richland County Juvenile Court for failure to send their student to school.

Tardy Policy

Students must be to school and in class on time. Tardiness is defined as not being in the area assigned to you for that period. (Examples: classroom, lunchroom, media center, etc.) Students are permitted four 4 unexcused tardies to school. Friday school will be assigned for EVERY 5 unexcused tardies to school.

Students have ample time to change classes. If a teacher detains a student, the teacher should fill out an admission slip for the student to present to his/her next teacher. This form is to be used only when a teacher detains a pupil, thus causing him/her to be late to the next class. A student "loafing" in the hallways or late to class unexcused is to be assigned discipline by the

teacher for whom he/she is late. Excessive classroom tardiness should be reported to the administration.

Attendance Notes

Parents must call the school to notify us of a student's absence. Please call 419-886-3111 before 8:30am. Upon returning to school a student must have a written note explaining the reason for the absence. ALL STUDENT ABSENCES, REGARDLESS OF A CALL FROM A PARENT, ARE CONSIDERED UNEXCUSED UNTIL A WRITTEN NOTE IS RECEIVED.

- The willful wasting of computing and networking facilities resources is inappropriate use. Wastefulness includes, but is not limited to, forwarding of chain letters, generation of large volumes of unnecessary or non-work/educational related printed output or disk space, or creation of heavy network traffic such as streaming radio or video for non-educational purposes.
- Users may not use computer resources to conduct illegal activity that would violate State, Federal, or local law.
- Social networking and other websites where posting of information is conducted shall be for school related business or educational purposes only.

The use of electronic devices (including, but not limited to cell phones and iPods) may be used in selected instructional activities as determined by instructional staff. At no time should cellphones be seen, heard, or used during academic classes or study hall, unless for instructional purposes with specific permission by the teacher. Even when use is permitted, phones

should be set to silent (not vibrate). Students who leave class on a pass are not permitted to use cell phones at that time. The misuse of these devices will result in disciplinary action, including but not limited to, the forfeiture of future use of these devices in instructional activities. At any time digital recording or photographing is prohibited without the direct consent of the teacher and those being recorded. Any electronic equipment, owned by Clear Fork Valley Local School District or personally by the user, will be operated under the guidelines of this AUP.

The user who violates the Acceptable Use Policy may be denied access to the district's network/Internet in the future.

The school district reserves the right to monitor access, inspect, intercept, and take appropriate action with respect to all computer resources and communications connected to the Clear Fork Valley Local School District network. Based on reasonable suspicion the school district reserves the right to search and seize any computer resource used by users, whether school property or personal property, such as computers, flash drives, disks, electronic mail messages, Internet materials, etc. This will be conducted at the discretion of the school district.

Internet and Electronic Mail

The Internet and electronic mail are to be used by users for legitimate, educational-related purposes. Sending and/or forwarding electronic mail "chain-letters" does not constitute legitimate use of the computer resources.

Electronic mail is not confidential and privileged. Electronic mail that is sent and/or received via the network/Internet is considered property of the school district.

Clear Fork Valley Local Schools does not have control over information found on the Internet. While every attempt is made to block access from inappropriate material while the user is at school, the user may be able to access inappropriate material while using their home network. It is the parents or guardians responsibility to supervise the information that a student is accessing from the Internet outside the school day.

Users should never share personal information about themselves or others while using the Internet or email. This includes name, age, address, phone number, or school name.

Parent/guardians and students are required to read and agree to the District's Acceptable Use Policy prior to receiving Internet and email access.

Users should be aware that Internet access and email, and other media that are accessed, created, or stored on their computers are the sole property of the District. The District has the right to review these items for appropriateness, and to limit or revoke a user's access to them at any time and for any reason. No expectation of privacy in the use of devices, including e-mail, stored files or Internet sites visited should be assumed by the users.

The district's designated email should only be used for education purposes for teacher assigned activities.

Security

Computer security is a high priority for the Clear Fork Valley Local School District. If a user identifies a security problem on the Internet or other computer resources, the user must notify technology staff or school administration.

Users must keep their account and password information confidential and shall not share it with others. Users are prohibited from using another individual's account and/or password. Users are also prohibited from using any password procedure other than those provided by the district. Finally, students must not log onto the network as the system administrator.

The Clear Fork Valley Local School District will not be liable for lost or damaged data stored on the computer resources by users, nor for security violations committed by users.

Software

Computer software is protected by federal copyright laws. Users are prohibited from engaging in unauthorized duplication, distribution or alteration of any licensed software. Users must abide by all software licensing agreements and may not illegally use or possess copyrighted software. Users must not use software that they know has been illegally copied. Network license software is typically used by a limited number of concurrent users. However, unless permitted by the license, this software must not be copied from the server to the employee's individual workstation or storage location. Site license software can be used on any workstation at the site for which software is purchased. This software can be legally copied onto any site workstation that holds the license. However, unless permitted by the license, it must not be copied to workstations not owned by the license. Single license software must not be copied to multiple machines or media in violation of the license agreement.

Discipline

Users violating the terms and conditions of this policy will be subject to discipline; they may include expulsion or termination. Violation of this policy may result in the revocation and/or suspension of the user's access/user rights. Users may be disciplined for conduct and or behavior associated with the prohibited use of computer resources and or electronic devices which occur during school hours, or for conduct which occurs outside of the school day but is directly related to and/or the school district, students or staff. Users will also be disciplined for using computer resources and/or electronic devices in a manner which harms or intends to harm school property, employees and/or students.

Students participating in extracurricular activities are conditioned on a code of conduct that includes prohibitions against irresponsible or abusive use of the Internet.

Internet Safety

General Warning

All users are advised that access to the electronic network may include the potential for access to inappropriate materials. Every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites.

Personal Safety

Be Safe. In using the computer network and Internet, do not reveal personal information such as your home address or telephone number. Do not use your real last name or any other information that might allow a person to locate you without first obtaining your permission. Regardless of your age, you shall never agree to meet a person you have only communicated with on the Internet in a secluded or in a private setting.

Active Restriction Measures

The Clear Fork Valley Local School District, either by itself or in combination with the Information Technology Center (NCOCC) providing the Internet access, will utilize filtering software or other technologies to prevent users from accessing visual depictions that are (1) obscene, (2) child pornography, or (3) harmful to minors. Although the Valley Local School District subscribes to an Internet filtering service, the Internet changes constantly and the filter will not always provide absolute protection from inappropriate materials. Therefore, the district will also monitor the online activities of users, through direct observation, and/or technological means, to ensure that users are not accessing such depictions or any other material that is inappropriate.

Blogs/Wikis

The use of blogs/wikis is considered an extension of your classroom. Therefore, any speech that is considered inappropriate in the classroom is inappropriate in a blog. This includes, but is not limited to, profanity; racist, sexist or discriminatory remarks; personal attacks and/or individual or group harassment. Blogs/wikis are used primarily as learning tools to extend conversations and dialogue beyond the parameters of the classroom time period. Be sure to follow all rules and guidelines offered by your teachers regarding appropriate postings to these blogs.

Blogs/wikis are used primarily as learning tools, either as extensions of conversations and thinking outside of regular class time, or as the basis for beginning new classroom discussions. Either way, students should follow all rules and suggestions that are offered by teachers regarding appropriate posting for class.

Blogs/wikis are about ideas – therefore, agree or disagree with the idea, not the person. Freedom of speech does not give you the right to be uncivil. Use constructive criticism and use evidence to support your position.

Blog safely. NEVER post personal information on the web (including, but not limited to, last names, personal details including address or phone numbers, or photographs). Do not, under any circumstances, agree to meet someone you have met over the Internet.

Due to your login to the blogging site (e.g., Blogger) being typically linked to your profile, any personal blog you create in class is directly linked to your class blog and must follow teacher prescribed blogging guidelines. In addition to not sharing too much personal information in your profile or any posts/comments you make, you must realize that anywhere and/or anytime you use this login, the information links back to your class blog. Therefore, anytime you use this login when posting to a separate personal blog, commenting on someone else's blog, etc., you need to follow the same guidelines as a school blog. If any inappropriate comments and/or content appear on your personal blog, it must be deleted. If you cannot follow these

guidelines, a separate login to the blogging site needs to be created so the class blog is not connected. You may not use this login from school computers. Pictures may be inserted into a blog. Images need to be appropriate to the school document they are linked to and copyright laws are to be followed.

Failure to Follow Policy

Use of the Clear Fork Valley Local School District's network and Internet is a privilege, not a right. A user who violates this policy, shall at a minimum, have his or her access to the computer network and Internet terminated. A user violates this policy by his or her own actions or by failing to report any violations by other users that come to the attention of the user. Further, a user violates this policy if he or she permits another to use his or her account or password to access the computer network and Internet, including any users whose access has been denied or terminated. The Clear Fork Valley Local School District may also take other disciplinary action in such circumstances.

All users must sign the Acceptable Use Policy. The failure to sign this policy will result in the denial of network resources. In addition, students may be asked to sign a new policy to reflect developments in the law or technology.
