

Clear Fork High School 2023-24 School Year

Welcome Back! Each year is one more step towards completing your education and making memories with friends and family at Clear Fork High School. Every grade and year should have a focus on what you need to accomplish and your goals. Parents and students are encouraged to have conversations in regards to what they expect from high school and how to make the most of it.

- Freshman year - Focus on understanding and taking in what Clear Fork has to offer and the educational and social landscape
- Sophomore year - This may be your most important year. You will be asked to make a big decision in regards to your future at the end of this year. Career Center? College? Work Study? Pro's and Con's for each.
- Junior Year - You have decided on a direction during this year. You have chosen to go to the career center or stay at Clear Fork. Staying at Clear Fork indicates the student wishes to challenge themselves academically and has a goal of pursuing further education after graduation. Attending the career center indicates you have made a decision to pursue a livelihood that the Career Center can help you be successful in.
- Senior Year - This is the year you will need to put the finishing touches on your own educational masterpiece. Complete any applications, apply for scholarships, enroll in the military, or seek employment.

Activities and supports will be readily available throughout the year. A great way to stay up to date is to subscribe to the High School Reminds. If you have done this already or in years past then you are still on the list and no need to sign up again. If you have not then please sign up using one of the codes on our website or by contacting the high school office.

Several activities and events that will impact the year are listed below. Please mark your calendars.

Please feel free to reach out to us at anytime. Every year is a good year, some are better than others. The year is only wasted if you do not put in the effort and energy into making it a good year.

We are looking forward to seeing our hallways and classrooms filled again!

See you in August!

Brian Brown
Clear Fork High School Principal
