MISSION STATEMENTS

CLEAR FORK VALLEY LOCAL SCHOOLS

Striving to Exceed Expectations

BELLVILLE ELEMENTARY SCHOOL

At Bellville Elementary we are problem solvers, respectful, kind to all and ready to learn. Go Colts!

All parents, volunteers and other visitors are welcome. All volunteers will need to contact the Board of Education to schedule an appointment to be fingerprinted and have a background check completed. Once approved, we ask that you sign in and out at the office for the safety of our children.

Principal's Welcome

August 2023

Dear Parents and Students,

Welcome to Bellville Elementary School! We are honored that you chose us to educate and serve your precious children! We are committed to providing a safe and enjoyable experience for your family. Our goal is for every student to learn and grow through problem solving, cooperation, respect for ourselves and others, and taking responsibility for our actions.

This handbook includes vital information about our school day and procedures. We encourage you to spend a few minutes reading through it and keeping it as a guide throughout the school year. Please find a sign off sheet on the last page. We ask that your child return this to school to let us know that you and your child have reviewed the handbook together.

Teaching and learning takes time and energy, and to promote a healthy work/life balance for our teachers and staff, we have set times and encourage our staff to limit their communication via email to the hours listed. Because of this, please do not expect staff to return an email to you between the hours of 4:00 p.m. and 7:45 a.m. It is also common practice to expect a 3-business day window between receipt of an email and response.

It is our hope that your child is as excited about this school year as we are! Please feel free to contact me with any questions or concerns as you are a crucial member of our team! We are looking forward to an educational and exciting school year!

Sincerely,

(419) 886-3244

*Please note school fees are carried over from year to year. Prior to graduation, students are required to pay off any outstanding fees before being awarded their high school diploma.

DEPARTURES AND RETURNS DURING SCHOOL HOURS

If your child arrives at school after 7:55 a.m., a parent/guardian must bring the child into the office to sign him/her in.

For safety reasons, a child may not leave the school premises without the permission of the principal. The school day begins at 7:55 a.m. and ends at 2:45 p.m. When given permission to leave the school premises, the student **must** be signed out by a parent, guardian, or designated person. On the day the student needs to leave for appointments, the student must bring a note that is written by his/her parent or guardian that specifies the reason for leaving. This note should be given to the child's teacher and will be sent to the office in the morning. Please sign your child in/out by using the sign-in/out sheet in the office. This procedure assists us with attendance and safety concerns for your child. Upon the child's return to school, please provide a medical excuse or other documentation.

If at all possible, please make dental or medical appointments for times when school is not in session (before or after the school day). **Regular attendance is very important.**

ADDRESS CHANGE

Please notify the school immediately of any changes in residence and/or home or work telephone numbers.

STUDENT WITHDRAWAL

Students who are withdrawing from Clear Fork must obtain a withdrawal form from the office the beginning of the day, on the last day of attendance. This form will be used to document that all school materials have been returned.

GETTING MESSAGES TO YOUR CHILDREN

Please try to get messages communicated to your children before they come to school. If it is necessary to call, please do so **before 2:00 p.m. After this time, we cannot guarantee that the message will be delivered.** Please contact the office at (419) 886-3244. **Parents/Guardians are not to go to their child's/children's classroom during the day unless arrangements have been made in advance. This is to protect the integrity of our instructional time.**

COMMUNICATION WITH YOUR CHILD'S TEACHER

Communication with your child's teacher is vital. Please plan to attend Parent/Teacher Conferences. They will be held in the fall and in the spring. Additional meeting times between you and your child's teacher can also be arranged. Please call or email your child's teacher to resolve concerns before contacting the principal.

Teaching and learning takes time and energy, and to promote a healthy work/life balance for our teachers and staff, we have set times and encourage our staff to limit their communication via email to the hours listed. Because of this, please do not expect staff to return an email to you

between the hours of 4:00 p.m. and 7:45 a.m. It is also common practice to expect a 3-business day window between receipt of an email and response.

VACATION

Vacation forms must be submitted to the classroom teacher and building principal at least two weeks prior to a leave of school for vacation. The forms can be found at our office or online at cfcolls.org and submitted to your child's teacher.

BELLVILLE ELEMENTARY PARKING

There is parking available for parents to pick up and drop off students at the front entrance of the building or when volunteering in the building. The only exception is classroom party days. On these days, all parents who are volunteering must park in the rear of the building.

FIRE AND TORNADO DRILLS

Monthly fire drills are required and documented. A signal will be given via the P.A. system and teachers are to take students to the designated areas. Doors are to be closed and all students are to proceed **Quietly and Quickly** to their assigned area.

With regards to tornado drills, please proceed **Quietly and Quickly** to the designated area when the signal is given. Directions for exiting the area are posted near the doorway in each room. If time does not permit anyone to move, go immediately to any inside wall and cover the back of your neck and your face. Stay away from outside doorways and all glass.

LOCKDOWN PROCEDURES

At different times throughout the school year we will be conducting lockdown drills in coordination with the Clear Fork School District and Bellville Police Department.

ELECTRONICS, TOYS

CD players, radios, tape players, I-Pods, cell phones and all other electronic devices are not to be used for games, but can be used as part of a class assignment when permission is given by the teacher. Students are not permitted to use tik tok, snapchat, text message, phone calls, camera, video or any social media. **All toys such as cars, trucks, dolls and trading cards should be left at home.**

CELL PHONES/SMART WATCHES

We prefer that cell phones remain with an adult during the school day or at home. Any cell phone that is brought to school must be turned off during school hours. Students **are not** to use cell phones to make personal calls. When permitted by the teacher, if the phone is a "smart phone" it may be used for educational purposes, but cell phones/smart watches are never permitted to be used during any kind of testing. Bellville Elementary is not responsible for lost or damaged personal property.

TELEPHONE CALLS/USAGE

The office telephone is a business phone and should not be used by students except for emergencies. Forgotten items do not constitute an emergency. Permission from a teacher and the office are required before students may use the telephone.

TEXTBOOKS

Students have been assigned certain textbooks for their use. These same books must be used by others next year and in the years to follow. Treat these books accordingly. If any text is lost or shows unnecessary abuse and wear, you will be charged.

LOCKERS

Students in certain grades will be assigned a locker and will be responsible for the locker during the school year. Students must use only lockers assigned to them. The lockers are the property of the Clear Fork School System and are subject to inspection by authorized personnel. At Bellville Elementary, we do not use any kind of lock on our lockers. You are cautioned against having anything of VALUE in your locker. The school is not responsible for items stolen from lockers. **Students are not permitted to share their locker space with other students.**

BAND

At Bellville Elementary our fifth grade students have the opportunity to participate in band. Once a student has started band class, they **will not** be permitted to leave the program for that school year. However, certain arrangements can be made in order to ensure the success of the student. For any questions, please contact Mr. Jason Brasure at email (brasurej@clearfork.k12.oh.us) or call (419 886-2601).

LOST AND FOUND

Lost and found articles are turned in at the cafeteria. We will dispose of any articles that have not been claimed at the end of each nine weeks. You can help prevent articles from becoming lost by putting your name on them – especially shirts, purses, lunch boxes, and jackets.

SUBSTITUTE TEACHERS

Our school is fortunate in having capable people to help us whenever regular teachers are ill or are attending conferences. A substitute teacher is an important visitor whose impressions of our school will be carried into the community. Let us be certain that these are good impressions by being polite, helpful, and considerate as you would be to your regular teacher.

BELLVILLE ELEMENTARY PTO

The Parent Teacher Organization meets each month. Dates, time and location are to be determined and are open to all parents of Bellville students.

SALES PROJECTS

The Bellville PTO sponsors sales events during the year. Money is raised to enrich the educational programs for our students. If your child participates, please meet the deadlines for returning the money collected from your child's sales.

STUDENT ASSEMBLIES

Student assemblies will be held at intervals during the school year. They are held to supplement the regular school program and educate as well as entertain the students. Students are expected to behave in a courteous manner. Misconduct will result in loss of future assembly privileges and/or other disciplinary action. Seating will be determined by the principal.

PARENT-TEACHER REQUESTS FOR THE FOLLOWING YEAR

Please do not request a specific teacher for your child. Much thought and planning goes into the make-up of the classes based on the learning needs and social interactions of the children. If a specialized situation exists, please notify the building principal in writing by **April 1st. No written requests will be guaranteed.**

PARENT VOLUNTEERS

Here at Bellville Elementary we encourage parents to come in to assist and volunteer in the classroom. **All volunteers must be fingerprinted for a background check.** Fingerprinting is available at the board office for a nominal charge. You are not permitted to volunteer until the background check is complete. If you wish to meet with your child's teacher to discuss any issues, please contact the school to set up an appointment. **Please remember all parent volunteers are at the teacher's discretion.** The only

exception to this is classroom parties. Since parents will be in the classroom, and will never be left alone with a child, parents are not required to be fingerprinted for classroom parties.

STUDENT INSURANCE

Each year, parents are given the opportunity to purchase a "Student Accident Insurance Policy" which has been selected by the Board of Education. Forms are sent home the first week of school.

GIFTED IDENTIFICATION POLICIES

Clear Fork Valley Local Schools have adopted Ohio's mandated Gifted Child Plan, which will standardize identification procedures throughout the state and will identify students in second and fourth grade with advanced learning needs in the areas of:

- Superior Cognitive Ability
- Specific Academic Ability
- Creative Thinking Ability
- Visual or Performing Arts

You will be notified by the school if your child qualifies. If you have questions/concerns about the Gifted program, contact the Gifted Intervention Specialist, Mrs. Kathy Quickle at 419-886-3855 or quicklek@cfcolts.org.

STUDENT ORGANIZATIONS

STUDENT COUNCIL: Representatives in grades 4 and 5 are chosen by classroom in the fall by voting. Meetings are called as needed by the Student Council advisors and will be held after school. Students participate in a fall fundraiser and help plan and prepare for the end-of-year school activities.

CODING CLUB: Coding club is an after school activity for students who show an interest in technology, computer science, and programming. This club is generally reserved for fourth and fifth grade students and is by invitation only, although students may express their interest to the STEM/technology teacher to be considered. Students that are invited to join coding club are students who clearly have an interest in STEM/technology class, make a great effort every day to do their best, persist through difficult problems, and prove or show their understanding of coding through challenges, tests, or classroom activities. The time in Coding Club will be spent reviewing the basic programming concepts, creating content on Scratch, writing code for and then using Wonderworks robots, using Adafruit circuit boards, creating 3d designs using TinkerCAD, and possibly working with websites like code.org or Carnegie Mellon University coding. Coding club works to cultivate teamwork, critical thinking, planning, creativity, programming, and problem solving skills.

PURPLE STAR AWARD: During the 2017-2018 school year Bellville Elementary School was awarded the Purple Star Award from the Ohio Department of Education. The Purple Star Award for military-friendly schools recognizes schools that show a major commitment to students and families connected to our nation's military. We were very honored to receive this award and will continue serving our military families to the best of our abilities.

Throughout the year many different activities are planned to help serve and thank our military families.

A few of these events are:

- Monthly Military Kid's Lunch Bunch – students from military families meet for a special luncheon with Mrs. Twedt. During this time the students are able to get to know one another and share stories and experiences their families are currently going through. This has turned into a huge support system for the students and families.
- Veteran's Day Appreciation Breakfast
- Military Family Board – this is a bulletin board in the main hallway which honors a different military family a month.
- Letter writing to deployed service men and women

- Deployment care packages – these are sent out to family members of our students

Ashley Twedt is the Military Liaison for the building and can answer any questions one might have. She can be contacted at twedta@cfcolts.org.

TITLE VI, TITLE IX, SECTION 504

Pursuant to the requirement of Title VI, Title IX and Section 504, the Clear Fork Valley Local School District has a policy of non-discrimination that extends to students, staff, the general public and individuals with whom it does business. The policy of non-discrimination applies to race, national background, religion, sex, economic status, age and handicap.

DIRECTORY INFORMATION

Ohio Revised Code Section 3319.321 (B) provides that "No person shall release, or permit access to, personally identifiable information other than directory information concerning any student attending public school without the written consent of the parent, guardian, or custodian of each student who is less than eighteen years of age, or without the written consent of each such student who is eighteen years of age or older.

Ohio law working within the confines of the Federal Family Educational Rights and Privacy Act, prohibits release of student records of any kind if the student's parent, or 18 year old student, informs the district that they do not consent to release of any or all of the information. It is the policy of the Board of Education to maintain confidentiality of information regarding all our students. Only directory information is released. Directory information is that information used to publish athletic programs, school musicals, and award programs. Parents who desire to have the school withhold even directory information may contact the school to formally make that request.

LIBRARY RULES

STUDENT ATTENDANCE POLICY

The State Board of Education has adopted regulations governing excuses from future school attendance and past absence from school that is outlined within the Ohio Revised Code Section 3221.04. These rules and regulations are binding upon the authorities empowered to issue excuses from attendance.

The following, taken from the Ohio Revised Code, indicates the regulations governing excused from past absence from school.

- A. The explanation of each past absence shall be made by the parent to the Superintendent of Schools or to the person designated by him to approve or disapprove past absences.

- B. An excused absence from school may be approved on the basis of one or more of the following conditions:
1. Personal illness. The approving authority may require the certificate of a doctor if he/she deems it advisable.
 2. Illness in the family.
 3. Quarantine in the home.
 4. Death of a relative.
 5. Act of God
 6. Observance of a religious holiday.
 7. An emergency or set of circumstances that prevents a student's attendance. The principal shall be charged with the responsibility of notifying students and parents of the student's attendance. The principal shall hear any appeal from the policy and make recommendations in fairness to the student and the policy.
 8. Students are required to complete a request for absence form **in advance** if they will be absent for any of the following reasons: family vacation, funerals, religious observance, family member in the service, athletic event in which Clear Fork is participating, or other as approved by the principal.
Students must have this form signed by a parent/guardian and return it with a letter of explanation five days prior to the absence, when possible. When it is returned to the office, it will be approved by the principal and returned to the student to present to his or her teachers in order to receive assignments. The completed assignment sheet must be returned to the office prior to the absence.
- C. Unexcused Absence
Unexcused absences are those not approved by the school or the State code. Unexcused absences usually consist of, but are not limited to: oversleeping, missing a ride, shopping, car trouble, non-medical appointments, and jobs. Needed at home is not an excused absence. Personal business must be specified to the administration. All unexcused absences will result in a grade of zero for all missed work.
- D. Absences shall be construed to mean anytime a student is not physically present in the building, other than school business such as:
1. Illness.
 2. Vacations – Parents and students are urged to take their vacations during the scheduled times on the school calendar. If this is impossible, the student must present a note signed by the parent or legal guardian two weeks prior to the time of absence and fill out the necessary form to take to the teacher. If the principal approves the vacation, all work can be made up. It is the student's responsibility to make arrangements with teachers for the makeup of work.

The preceding standard is a general standard that is to be used as a guide by all students. Not all misconduct can be itemized. The following is an enumeration of some of the main areas, which may lead to suspension, expulsion, detention, or other forms of disciplinary action.

STUDENT RIGHTS AND RESPONSIBILITIES Board Policy JF

Students, like all citizens, have civil rights guaranteed by the Constitution of the United States. The First Amendment, which ensures the freedom of religion, speech, press, assembly and petition, and the Fourteenth Amendment, which guarantees due process and equal protection, apply in school environments.

The rights of an individual are preserved only by the protection and preservation of the rights of others. A student is responsible for the way rights are exercised and must accept the consequences of actions and recognize the boundaries of rights. Each exercise of an individual's rights must demonstrate respect for the rights of others.

These statements set forth the rights of students and the responsibilities that are inseparable from these rights, which include the right to:

1. equal educational opportunity and freedom from discrimination and the responsibility not to discriminate against others;
2. attend free public schools; the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school;
3. due process of law with respect to suspension and expulsion;
4. free inquiry and expression and the responsibility to observe rules regarding these rights and
5. privacy, which includes privacy with respect to the student's school records.

As part of the educational process, students should be made aware of their legal rights and of the legal authority of the Board to make rules and delegate authority to its staff to make rules necessary for the orderly operation of the schools.

ANTI-HAZING POLICY/BULLYING Board Policy JFCE

Hazing means doing any act or coercing another, including the victim, to do any act of intimidation or harassment to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Throughout this policy the term bullying is used in place of harassment, intimidation and bullying.

Bullying, harassment and intimidation is an intentional written, verbal or physical act that a student has exhibited toward another particular student more than once. The intentional act also includes violence within a dating relationship. The behavior causes both mental and/or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. This behavior is prohibited on school property or at a school-sponsored activity.

Permission, consent or assumption of risk by an individual subjected to hazing, bullying and/or dating violence does not lessen the prohibition contained in this policy.

The District includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7-12. This instruction includes recognizing warning signs of dating violence and the characteristics of healthy relationships.

Prohibited activities of any type including those activities engaged in via computer and/or electronic communications devices are inconsistent with the educational process and are prohibited at all times. No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing and/or bullying activities. No student, including leaders of student organizations, may plan, encourage or engage in any hazing and/or bullying.

Administrators, teachers and all District employees are particularly alert to possible conditions, circumstances or events that might include hazing, bullying and/or dating violence. If any of the prohibited behaviors are planned or discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all such activities immediately. All hazing, bullying and/or dating violence incidents are reported immediately to the Superintendent/designee and the appropriate discipline is administered.

SUSPENSION PROCEDURES Board Policy JGD

Student Suspension

The Superintendent, principals, assistant principals and other designated administrators may suspend a student from school for disciplinary reasons outlined in the student code of conduct. A student cannot be suspended from school solely because of unexcused absences. When an employee has actual knowledge that the behavior is sexual harassment, the Title IX Coordinator must be contacted. The Title IX sexual

harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.

No period of suspension is for more than 10 school days. If, at the time a suspension is imposed, fewer than 10 days remain in the school year, the Superintendent cannot apply any or all of the period of suspension to the following year.

The Superintendent may instead require a student to perform community service or another alternative consequence for the number of hours remaining in the student's suspension. The Board directs the Superintendent to develop a list of alternative consequences that may be used. If the student is required to perform community service or another alternative consequence during the summer, he/she will be required to begin serving the consequence during the first full weekday of summer break. If a student fails to complete the community service or assigned alternative consequence, the Superintendent may determine the next course of action but still cannot require the student to serve the remaining time of the out-of-school suspension at the beginning of the following school year.

Beginning with the 2019-2020 academic year, the District will reduce the number of out-of-school suspensions for non-serious offenses, as defined by State law, for students in grades pre-K through three in accordance with State law. Such out-of-school suspensions will be eliminated by the 2021-2022 school year.

Whenever possible, principals will consult with a mental health professional under contract with the District or school prior to suspending a student in grades pre-K through three. If needed, the principal or mental health professional will assist the student's parent in locating additional mental health services.

The District permits students to complete any classroom assignments missed due to suspension. Students will receive at least partial credit upon completion of any assignment missed due to suspension. The Board directs the Superintendent to develop written procedures for completing and grading these assignments. Grade reductions are permitted, but students will not receive a failing grade on a completed assignment solely due to the student's suspension.

The guidelines listed below are followed for all out-of-school suspensions.

1. The student is informed in writing of the potential suspension and the reasons for the proposed action.
2. The student is provided an opportunity for an informal hearing to challenge the reason for the intended suspension and explain his/her actions.
3. An attempt is made to notify the parent(s) by telephone if a suspension is issued.
4. Within one school day, a letter is sent to the parent(s) stating the specific reasons for the suspension and including notice of the right to appeal such action.
5. Notice of this suspension is sent to the:
 - A. Superintendent and
 - B. student's school record (not for inclusion in the permanent record).
6. Permanent Exclusion - If the offense is one for which the District may seek permanent exclusion, the notice contains that information.

Appeal Procedure

Should a student or a student's parent(s) choose to appeal the principal's suspension, he/she must do so within 10 calendar days of the notice of suspension. The appeal shall be in writing and made to the Superintendent. If dissatisfied with the Superintendent's decision, an appeal may be made to the Board. At the request of the student or of the student's parent(s) or attorney, the meeting may be held in executive session. All witnesses are sworn and a verbatim record is kept of the hearing. The decision of the Board shall be acted upon at a public meeting. The student may be excluded from school during the appeal process.

EXPULSION PROCEDURES Board Policy JGE

Student Expulsion

At times, the behavior of a student can be considered so serious as to justify total removal from the educational program for a prolonged period of time. Actions meriting expulsion are outlined in the student code of conduct. A student cannot be expelled from school solely because of unexcused absences. When an employee has actual knowledge that the behavior is sexual harassment, the Title IX Coordinator must be contacted. The Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.

Only the Superintendent may expel a student. Expulsion is the removal of a student for more than 10 days, but not more than one year. An expulsion can extend beyond the end of the school year if there are fewer school days than expulsion days remaining. The Superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

The Superintendent may require a student to perform community service in conjunction with or in place of an expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school year.

Whenever possible, principals will consult with a mental health professional under contract with the District or school prior to expelling a student in grades pre-K through three. If needed, the principal or mental health professional will assist the student's parent in locating additional mental health services.

Beginning with the 2019-2020 academic year, the District will reduce the number of expulsions for non-serious offenses, as defined by State law, for students in grades pre-K through three in accordance with State law. Such expulsions will be eliminated by the 2021-2022 school year.

The Superintendent shall give the student and parent(s) written notice of the intended expulsion, including reasons for the intended expulsion. The student and parent(s) or representative have the opportunity to appear on request before the Superintendent/designee to challenge the action or to otherwise explain the student's actions. This notice shall state the time and place to appear, which must not be fewer than three days nor more than five days after the notice is given.

Within 24 hours of the expulsion, the Superintendent shall notify the parent(s) of the student and the Treasurer.

The notice shall include the reasons for the expulsion, the right of the student or parent(s) to appeal to the Board or its designee, the right to be represented at the appeal and the right to request that the hearing be held in executive session. The Superintendent will initiate expulsion proceedings against a student who has committed an act that warrants expulsion even if the student withdraws from school before the Superintendent has held the hearings or made the decision to expel the student.

Permanent Exclusion

If the offense is one for which the District may seek permanent exclusion, the notice shall contain that information.

Appeal to the Board

A student or a student's parent(s) may appeal the expulsion by the Superintendent to the Board or its designee. The expulsion appeal must be within 14 calendar days after the notice of intent to expel was provided to the student, parent, guardian or custodian. The appeal request shall be in writing to the Treasurer and at the request of the student or of the student's parent(s) or attorney, the meeting may be held in executive session. The student may be represented in all such appeal proceedings and is granted a hearing before the Board or its designee. All witnesses are sworn and a verbatim record is kept of the hearing. The decision of the Board shall be acted upon at a public meeting. The student may be excluded from school during the appeal process.

Appeal to the Court

Under State law, the decision of the Board may be further appealed to the Court of Common Pleas.

Any student who is expelled from school for more than 20 days or into the following semester or school year is referred to an agency that works towards improving the student's attitudes and behavior. The Superintendent provides the student and his/her parent(s) with the names, addresses and telephone numbers of the public and private agencies providing such services.

EMERGENCY REMOVAL PROCEDURES Board Policy JGDA

Emergency Removal of Student

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, the Superintendent, principal, assistant principal or personnel employed to direct, supervise or coach a student activity program may remove the student from the premises. When the behavior is sexual harassment as defined by Title IX regulations, the student may be removed on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

If either suspension or expulsion is contemplated, a due process hearing is held on the next school day after the removal is ordered. Written notice of the hearing and the reason for removal and any intended disciplinary action is given to the student as soon as practicable prior to the hearing. The student has the opportunity to appear at an informal hearing before the principal, assistant principal and the Superintendent/designee and has the right to challenge the reasons for the removal or otherwise explain his/her actions. The person who ordered or requested the removal is present at the hearing. Within one school day of the decision to suspend, written notification is given to the parent(s) of the student. This notice includes the reasons for the suspension and the right of the student or parent(s) to appeal to the Superintendent/designee.

If the Superintendent or principal reinstates a student prior to the hearing for emergency removal, the teacher may request, and is given, written reasons for the reinstatement. The teacher cannot refuse to reinstate the student.

In an emergency removal, a student can be kept from class until the matter of the alleged misconduct is disposed of either by reinstatement, suspension or expulsion.

Students in grades pre-K through three may only be removed for the remainder of the school day and must be permitted to return the following school day. The District may only proceed with a related

suspension or expulsion in compliance with State law.

In all cases of normal disciplinary procedures in which a student is removed from a curricular or extracurricular activity for less than 24 hours and is not subject to further suspension or expulsion, due process requirements do not apply.

STUDENT DRESS CODE

Students should dress for school in a modest manner that displays respect for themselves, their peers, their school and community. It is the belief of the school that some dress or attire may cause a distraction to the school day and the learning process or be a safety hazard. Furthermore, it is a belief that schools are a direct reflection of the standards and expectations of the community. To demonstrate that these standards and expectations are followed, the following guidelines will be enforced for the school day and school sponsored events. Students have the right to wear clothing and have an appearance that is comfortable and displays their personality as long as it fits within the following guidelines:

1. No clothing is to display any profanity, obscene or suggestive innuendos or sayings. There are to be no alcohol, drug references or references to weapons and/or violence on any item of clothing. Clothing and appearance may not be used to intimidate or create tension amongst the population.
2. Clothing must not be ripped or torn and cannot have deformities, loose straps, chains, or holes. All clothing should be worn as it is intended to be worn. **Jeans with holes above fingertip length must have leggings or material underneath.**
3. Tops are to have a modest neckline, no lower than three inches below the collarbone. Tops must cover the midriff when standing, sitting and when raising hand. Undergarments should never be visible. While sleeveless tops are acceptable, the shoulder seam area must be at least three inches wide.
4. Bottoms should be school appropriate and be worn at the waist. Students may wear pants/skirts intended for everyday casual or dress up as long as they have a top or skirt/shorts that are at least fingertip length long. Once again, undergarments should never be visible.
5. Students are also to wear appropriate footwear. Appropriate footwear includes tennis shoes, dress shoes and sandals with an ankle strap. Footwear that is not appropriate includes slippers, shower shoes, flip flops, shoes with wheels and other items that may hinder walking.
6. During the normal school day, students are not permitted to wear outside coats, backpacks, hats, gloves and sunglasses. Hats are to be removed immediately upon ENTERING the building. Backpacks, purses and other unnecessary items kept in their lockers.

Students who do not comply with the dress code regulations will be subject to disciplinary action and may be sent home to change. Time from school will be unexcused and make-up work will not be accepted. The decision regarding the appropriateness is at the discretion of the principal.

SCHOOL AND PERSONAL PROPERTY

The school property is here for your convenience and benefit. Considerable efforts have been made by the citizens of this school district to provide you with good furniture and equipment. Do not detach, destroy, or lessen its use or utility by your actions. Students will be asked to replace or repair property or furniture that has been needlessly marked, lost or destroyed. Take your share of responsibility for the attractive appearance of the school building and grounds.

POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS (PBIS)

JHCD_R (4)

MEDICATION ADMINISTRATION OF NONPRESCRIPTION MEDICATIONS:

In compliance with policy JHCD: Medication Administration to Students, the Board of Education urges parents to schedule a student's medication outside of school hours. Parent-recommended, over-the-counter short-term medications such as pain relievers, anti-inflammatory medications, and antihistamines may give symptomatic relief to students, thereby enabling learning and reducing classroom disruptions. These medications may be administered without written instructions from a licensed physician if administered in accordance with the following:

1. There shall be written instructions from the parent or guardian on the Medication Administration Authorization form specifying the medication, the amount of medication to be given, the time and frequency in which it may be taken, and the reason for its administration.
2. **The medication shall be in its original container with its original label.**
3. The medication shall be stored and secured in the office/clinic. Medication must be picked up at the end of the school year or it will be disposed of.
4. New forms must be submitted each school year and with each new medication. New forms must be submitted when any changes occur in the original medication, dose, or time.
5. The person designated to administer the medications shall maintain documentation on the medication log.
6. No employee who is authorized by the Board to administer medication is liable for the benefits/consequences of the medication when it is parent-prescribed.

LIFE THREATENING ALLERGIES:

Parents are responsible for informing the school of their child's allergies; especially life threatening allergies to bee stings and peanuts or other foods.

In the case of ALLERGIES, the **PARENTS ARE RESPONSIBLE** for providing the school with the allergy medication and a doctor's statement about how the medication is to be administered.

In the case of allergies requiring an EPI-PEN or Antihistamine, the **PARENTS ARE RESPONSIBLE** for providing the school with the medication and doctor's orders for administering the medication.

EMERGENCY MEDICAL AUTHORIZATION FORM

These forms are sent home the first week of school. Parents are required by law to have this form on file at school. If any information changes, please keep us informed.

IMMUNIZATIONS

In order to comply with the state law, students are required to have the following immunizations upon entering school:

MMR'S – 2 doses

DTP/DtaP injections – 5 doses

POLIO VACCINE – 4 doses

HEPATITIS B – 3 doses

VARICELLA – 2 doses

Children who do not have evidence of proper immunizations will be excluded from school after **15 days**. Students must have a TB Test on record after the age of four.

Immunization exemption forms are available in the office for medical, philosophical or religious objections to immunizations.

GENERAL GUIDELINES FOR KEEPING CHILDREN HOME FROM SCHOOL DUE TO ILLNESS

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others, and to prevent your child from acquiring any other illness while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the usual recommendations of the School Nursing Services.

CHICKEN POX: A skin rash consisting of small blisters that leave scabs. A slight fever may or may not be present. There may be blisters and scabs all present at the same time. Your child should remain home until all blisters have scabbed over. Usually 5-7 days after the appearance of the first crop of blisters.

COMMON COLD: Irritated throat, watery discharge from the nose and eyes, sneezing, chilliness and general body discomfort. Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn. Medical care should be obtained if symptoms persist beyond 7-10 days, fever develops, or discharge becomes yellow to green.

COVID-19: Temperature above 100., cough, chills, muscle pain, shortness of breath or difficulty breathing, sore throat, loss of taste or smell. Symptoms can range from mild to severe, and appear 2-14 days after you are exposed to the virus. Seek medical care for the most accurate diagnosis.

FEVER: If your child's temperature is 100 degrees Fahrenheit or greater (or 1 or 2 degrees above the child's normal temperature) he/she should remain home until he/she has been without fever for a full 24 hours. Remember, fever is a symptom indicating the presence of an illness.

FLU: Abrupt onset of fever, chills, headache and sore muscles. Runny nose, sore throat and cough are common. Your child should remain home from school until symptoms are gone and the child is without fever for 24 hours.

HEAD LICE: Pediculosis, head lice, is classified as a nuisance condition and is not known to transmit infectious disease person to person. The primary goal of identification and notification of lice infestation in the school setting is to ensure that the child receives safe and effective treatment. Current research on head lice does not support that conclusion that enforced exclusion policies result in reduced transmission of head lice. In fact, The American Academy of Pediatrics, The Centers for Diseases Control and The National Association of School Nurses advise that schools abolish the "no nit" policy.

School Based Head Lice Control Practice

The following guidelines will be adopted for school attendance after a student has been identified with head lice.

1. Any student found to have nits will remain in the classroom and go home at the end of the school day. The parent or guardian will be notified by telephone and/or letter of the need for treatment before returning to school. Written instructions regarding the safe and effective lice control measures will be given to the parent/guardian or sent home with the child.
2. The parent/guardian will be notified to pick up a child found to have live lice. At the discretion of the school nurse, building principal; a child may remain in class with live lice. Written instructions regarding the safe and effective lice control measures will be given to the parent/guardian or sent home with the child.

3. Treatment is expected the day of discovery of nits/lice. Treatment and nit removal can be accomplished overnight with the expectation the student will return to school the following day. A parent/guardian is expected to accompany the student to school the following morning. The school nurse or trained staff will examine the child's head and determine if treatment has been done to stop the active infestation. If it is identified there is NO active infestation and there IS progress in nit removal, the child may remain in school. If there is presence of live lice and NO progress in nit removal, the child will go home for further treatment and lice/nit removal.
4. If the child has missed more than 2 days in a row because of head lice issues and the parent/guardian is not complying with treatment recommendations; the following measures will be put into place:
 - Review of attendance policies and truancy guidelines.
 - Conference with the school nurse and building principal to develop a plan for treatment and return to school.

IMPETIGO: Blister-like lesions that later develop into crusted pus-like sores. Your child should remain home from school until receiving 48 hours of antibiotic therapy and sores are no longer draining.

PAIN: If your child complains, or behavior indicates, that he/she is experiencing persistent pain, he/she should be evaluated by a physician before your child is sent to school.

PINKEYE: Redness and swelling of the membranes of the eye with burning or itching, matter coming from one or both eyes, or crusts on the eyelids. Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eyes has stopped. The spread of infection can be minimized by keeping the hands away from the face, good hand washing practices, using individual washcloths and towels and NOT touching any part of the eyes with the tip of the medication applicator while administering the antibiotic ointment.

SKIN RASHES: Skin rashes of unknown origin should be evaluated by a physician before your child goes to school.

STREP THROAT AND SCARLET FEVER: Strep throat begins with fever, sore and red throat, pus spots on the back of the throat, tender swollen glands of the neck. With scarlet fever there are all the symptoms of strep throat as well as a strawberry appearance to the tongue and rash of the skin. High fever, nausea and vomiting may also occur. Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until they are without fever or vomiting for 24 hours. Most physicians will advise rest at home 1-2 days after a strep infection. Antibiotics ordered for strep infections are to be taken for 10 days or until all medication is gone. Only when these directions are followed correctly is the strep germ completely eliminated from the body, no matter how well the child feels after the first few days of receiving medication.

VOMITING AND DIARRHEA (INTESTINAL VIRAL INFECTIONS): Stomach ache, cramping, nausea, vomiting and/or diarrhea, possible fever, headache, and body aches. Your child should remain at home until they are without vomiting, diarrhea or fever for a full 24 hours. If your child has had any of these symptoms during the night he/she should **not** be sent to school the following day.

Students participating in extracurricular activities are conditioned on a code of conduct that includes prohibitions against irresponsible or abusive use of the Internet.

8. Internet Safety

General Warning

All users are advised that access to the electronic network may include the potential for access to inappropriate materials. Every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites.

Personal Safety

Be Safe. In using the computer network and Internet, do not reveal personal information such as your home address or telephone number. Do not use your real last name or any other information that might allow a person to locate you without first obtaining your permission. Regardless of your age, you shall never agree to meet a person you have only communicated with on the Internet in a secluded or in a private setting.

Active Restriction Measures

The Clear Fork Valley Local School District, either by itself or in combination with the Information Technology Center (NCOCC) providing the Internet access, will utilize filtering software or other technologies to prevent users from accessing visual depictions that are (1) obscene, (2) child pornography, or (3) harmful to minors. Although the Valley Local School District subscribes to an Internet filtering service, the Internet changes constantly and the filter will not always provide absolute protection from inappropriate materials. Therefore, the district will also monitor the online activities of users, through direct observation, and/or technological means, to ensure that users are not accessing such depictions or any other material that is inappropriate.

Blogs/Wikis

The use of blogs/wikis is considered an extension of your classroom. Therefore, any speech that is considered inappropriate in the classroom is inappropriate in a blog. This includes, but is not limited to, profanity; racist, sexist or discriminatory remarks; personal attacks and/or individual or group harassment. Blogs/wikis are used primarily as learning tools to extend conversations and dialogue beyond the parameters of the classroom time period. Be sure to follow all rules and guidelines offered by your teachers regarding appropriate postings to these blogs.

Blogs/wikis are used primarily as learning tools, either as extensions of conversations and thinking outside of regular class time, or as the basis for beginning new classroom discussions. Either way, students should follow all rules and suggestions that are offered by teachers regarding appropriate posting for class.

Blogs/wikis are about ideas – therefore, agree or disagree with the idea, not the person. Freedom of speech does not give you the right to be uncivil. Use constructive criticism and use evidence to support your position.

Blog safely. NEVER post personal information on the web (including, but not limited to, last names, personal details including address or phone numbers, or photographs). Do not, under any circumstances, agree to meet someone you have met over the Internet.

Due to your login to the blogging site (e.g., Blogger) being typically linked to your profile, any personal blog you create in class is directly linked to your class blog and must follow teacher prescribed blogging guidelines. In addition to not sharing too much personal information in your profile or any posts/comments you make, you must realize that anywhere and/or anytime you use this login, the information links back to your class blog. Therefore, anytime you use this login when posting to a separate personal blog, commenting on someone else's blog, etc., you need to follow the same guidelines as a school blog. If any inappropriate comments and/or content appear on your personal blog, it must be deleted. If you cannot follow these guidelines, a separate login to the blogging site needs to be created so the class blog is not connected. You may not use this login from school computers. Pictures may be inserted into a blog. Images need to be appropriate to the school document they are linked to and copyright laws are to be followed.

9. Failure to Follow Policy

Use of the Clear Fork Valley Local School District's network and Internet is a privilege, not a right. A user who violates this policy, shall at a minimum, have his or her access to the computer network and Internet terminated. A user violates this policy by his or her own actions or by failing to report any violations by other users that come to the attention of the user. Further, a user violates this policy if he or she permits another to use his or her account or password to access the computer network and Internet, including any users whose access has been denied or terminated. The Clear Fork Valley Local School District may also take other disciplinary action in such circumstances.

All users must sign the Acceptable Use Policy. The failure to sign this policy will result in the denial of network resources. In addition, students may be asked to sign a new policy to reflect developments in the law or technology.
