Additional Tips				
Creating an Account				
1. User names may be letters and/or numbers and 6 to 50 characters. You cannot change your user name once you register.				
2. Registration keys are provided by your child's school district and are not case sensitive.				
3. Passwords must contain 1 letter, 1 number, and 8 to 50 characters, are case sensitive, and cannot match user name.				
Accessing an Account				
1. If you forget your user name or password, click Can't access your account?.				
2. For security purposes, if you are unsuccessful after 5 attempts to log in to your account, the system automatically locks your account for 10 minutes.				
3. If the school district locks a student's account and the student tries to log in, the student receives a message stating that his/her account is locked. If a parent tries to log in, the student's icon is disabled, and a hover tip displays stating the account is locked.				
4. If the school district disables your account and you try to log in, a message appears on the Login screen stating your account is disabled.
