## Principal's Welcome

August 21, 2024

Dear Parents and Students,

Welcome to Bellville Elementary School! We are honored that you chose us to educate and serve your precious children! We are committed to providing a safe and enjoyable experience for your family.

At Bellville Elementary, every day is a great day to be a Colt. We take PRIDE in developing student leaders. This year, the building has a new school-wide initiative which will outline positive expectations for all students across school building environments using our Colt PRIDE as a constant guide and reminder:

P – We are **Problem Solvers**

R – We are **Respectful**

I – We have **Integrity**

D – We are **Disciplined**

E – We have **Empathy** for others

This handbook includes vital information about our school day and procedures. We encourage you to spend a few minutes reading through it and keeping it as a guide throughout the school year. Please find a sign off sheet on the last page. We ask that your child return this to school to let us know that you and your child have reviewed the handbook together.

It is our hope that your child is as excited about this school year as we are! Please feel free to contact me with any questions or concerns as you are a crucial member of our team! We are looking forward to an educational and exciting school year!

Sincerely,

Jonathan Burras

**If your child arrives at school after 7:55 a.m., a parent/guardian must bring the child into the office to sign him/her in.**

For safety reasons, a child may not leave the school premises without the permission of the principal. When given permission to leave the school premises, the student **must** be signed out by a parent, guardian, or designated person. On the day the student needs to leave for appointments, the student must bring a note that is written by his/her parent or guardian that specifies the reason for leaving. This note should be given to the child's teacher. Upon the child's return to school, please provide a medical excuse or other documentation.

If at all possible, please make dental or medical appointments for times when school is not in session (before or after the school day). **Regular attendance is very important.**

## **ADDRESS CHANGE**

Please notify the school immediately of any changes in residence and/or home or work telephone numbers.

## **STUDENT WITHDRAWAL**

Students who are withdrawing from Clear Fork must obtain a withdrawal form from the office the beginning of the day, on the last day of attendance. This form will be used to document that all school materials have been returned.

## **GETTING MESSAGES TO YOUR CHILDREN**

In the case of an emergency or change in daily transportation, please contact the office with any important information before 2:00 PM.

## **COMMUNICATION WITH YOUR CHILD'S TEACHER**

Communication with your child's teacher is vital. Please plan to attend Parent/Teacher Conferences. They will be held in the fall and in the spring. Additional meeting times between you and your child's teacher can also be arranged. Please call or email your child's teacher to resolve concerns before contacting the principal.

Please limit your communication to teachers to school hours. Messages sent outside of school hours may not be reviewed until the following school day.

## **REQUESTING VACATION**

Vacation forms must be submitted to the classroom teacher and building principal at least two weeks prior to a leave of school for vacation. The forms can be found at our office or online at [cfcolds.org](http://cfcolds.org) and submitted to your child's teacher.

### **BELLVILLE ELEMENTARY PARKING**

There is parking available for parents to pick up and drop off students at the front entrance of the building or when volunteering in the building. On classroom party days, please park in the rear parking lot.

### **SAFETY DRILLS**

At different times throughout the school year we will be conducting lockdown drills in coordination with the Clear Fork School District and Bellville Police Department.

### **CELL PHONES/SMART WATCHES/TOYS**

Students are provided necessary technology by classroom teachers. Students do not need access to personal devices of any kind to access school in the school building during school hours. All personal calling devices shall remain off during school hours. **All toys such as cars, trucks, dolls and trading cards should be left at home.** Please see page 17 of this document for the full language of district cell phone policy adopted by the Board of Education in June 2024.

### **TEXTBOOKS**

Students have been assigned certain textbooks for their use. Loss or damage may result in charges.

### **LOCKERS**

Students in 4th and 5th grades will be assigned a locker and will be responsible for the locker during the school year. The lockers are the property of the Clear Fork Valley Local School System and are subject to search or inspection by authorized personnel with or without cause. You are cautioned against having anything of VALUE in your locker. The school is not responsible for items stolen from lockers.

**Students are not permitted to share their locker space with other students.**

### **BAND**

Fifth grade students have the opportunity to participate in band. Once a student has started band class, they **will not** be permitted to leave the program for that school year. For any questions, please contact Mr. Jason Brasure at [brasurej@cfcolts.org](mailto:brasurej@cfcolts.org).

### **LOST AND FOUND**

Lost and found articles are turned in at the cafeteria. We will donate or dispose of any articles that have not been claimed at the end of each nine weeks. You can help prevent articles from becoming lost by putting your name on them – especially shirts, purses, lunch boxes, and jackets.

### **BELLVILLE ELEMENTARY PTO**

The Parent Teacher Organization meets each month. Dates, time and location are to be determined. Meetings are open to all parents of Bellville students.

The Bellville PTO sponsors sales events during the year. Money is raised to enrich the educational programs for our students. If your child participates, please meet the deadlines for returning the money collected from your child's sales.

### **STUDENT ASSEMBLIES**

Student assemblies will be held at intervals during the school year. They are held to supplement the regular school programming. The student code of conduct remains applicable during all assemblies.

### **PARENT VOLUNTEERS**

We encourage parents to come in to assist and volunteer in the classroom. **All volunteers must be fingerprinted for a background check.** Fingerprinting is available at the board office for a nominal charge. You are not permitted to volunteer until the background check is complete. **Please remember all parent volunteers are at the discretion of the principal.**

### **PARENT-TEACHER REQUESTS FOR THE FOLLOWING YEAR**

Much thought and planning goes into the make-up of the classes based on the learning needs and social interactions of the children. If a specialized situation exists, please notify the building principal in writing by **April 1st. No written requests will be guaranteed.**

### **STUDENT INSURANCE**

Each year, parents are given the opportunity to purchase a "Student Accident Insurance Policy" which has been selected by the Board of Education. Forms are sent home for review.

### **STUDENT ORGANIZATIONS**

**STUDENT COUNCIL:** Representatives in grades 4 and 5 are chosen by classroom in the fall by voting. Meetings are called as needed by the Student Council advisors and will be held after school. Students participate in a fall fundraiser and help plan and prepare for the end-of-year school activities.

**CODING CLUB:** Coding club is an after school activity for students who show an interest in technology, computer science, and programming. This club is generally reserved for fourth and fifth grade students and is by invitation only, although students may express their interest to the STEM/technology teacher to be considered. Students that are invited to join coding club are students who clearly have an interest in STEM/technology class, make a great effort every day to do their best, persist through difficult problems, and prove or show their understanding of coding through challenges, tests, or classroom activities. The time in Coding Club will be spent reviewing the basic programming concepts, creating content on Scratch, writing code for and then using Wonderworks robots, using Adafruit circuit boards, creating 3d designs using TinkerCAD, and possibly working with websites like code.org or Carnegie Mellon University coding. Coding club works to cultivate teamwork, critical thinking, planning, creativity, programming, and problem solving skills.

**MAIN MEDIA:** Bellville Elementary is excited to have an after-school club called Mane Media! This club is for students in grades Kindergarten through 5th Grade and meets once a week October-May. Students will be nominated by their teacher, based on their maturity, academic performance and creativity.

The purpose of the club is to create a digital newsletter that is featured on the TVs throughout the building and is also available to the community via website link.. Mane Media not only creates awesome material for our school and community, but also builds up students and helps create a love of media! By combining all grades, the older students mentor younger students! K-2 will be the "Pony Pals" to 3-5 called "Media Mentors". Mane Media also encourages social-emotional goals as the older grades mentor the younger!

**PURPLE STAR AWARD:** During the 2017-2018 school year Bellville Elementary School was awarded the Purple Star Award from the Ohio Department of Education. The Purple Star Award for military-friendly schools recognizes schools that show a major commitment to students and families connected to our nation’s military. We were very honored to receive this award and will continue serving our military families to the best of our abilities.

Throughout the year many different activities are planned to help serve and thank our military families.

A few of these events are:

- Monthly Military Kid’s Lunch Bunch – students from military families meet for a special luncheon with Mrs. Twedt. During this time the students are able to get to know one another and share stories and experiences their families are currently going through. This has turned into a huge support system for the students and families.
- Veteran’s Day Appreciation Breakfast
- Military Family Board – this is a bulletin board in the main hallway which honors a different military family a month.
- Letter writing to deployed service men and women
- Deployment care packages – these are sent out to family members of our students

Ashley Twedt is the Military Liaison for the building and can answer any questions one might have. She can be contacted at [twedta@cfcvolts.org](mailto:twedta@cfcvolts.org).

### **BREAKFAST AND LUNCH**

All students are to eat their lunch in the school cafeteria. Students are to line up in the cafeteria and use the serving line of the kitchen. Family’s experiencing financial difficulties should inquire about the free/reduced lunch program. Applications are available in the school office and on the district website at [cfcvolts.org](http://cfcvolts.org). Application information is considered confidential and will be used only to determine eligibility.

Students are expected to use good manners. The privilege of eating in the cafeteria may be lost through improper lunchroom conduct. Please leave the table and your area in a neat clean condition for the next students.

Candy and other food items are not to be sold before or during school hours by any organization. Only packed or purchased lunches should be eaten during the school’s “closed” lunch period. **Students are not permitted to bring soda or energy drinks to school for lunch.**

## **ATTENDANCE POLICY**

### **Board Policy JED Last Revised 11/19/2020**

Regular attendance by all students is very important. In many cases, irregular attendance is the major reason for poor schoolwork; therefore, all students are urged to make appointments, do personal errands, etc., outside of school hours.

Reasons for which students may be medically excused include, but are not limited to:

- personal illness of the student;
- illness in the student's family necessitating the presence of the child;
- quarantine for contagious disease or

- emergency or other set of circumstances in which the judgment of the Superintendent constitutes a good and sufficient cause for absence from school, which may include but not be limited to absences due to documented medical appointments.

Reasons for which students may be non-medically excused include, but are not limited to:

- needed at home to perform necessary work directly and exclusively for parents or legal guardians for a limited period of time when approved by the Superintendent (applies to students over 14 years of age only);
- death in the family (applies to absences of up to 18 school hours unless a reasonable cause may be shown for a longer absence);
- observance of religious holidays consistent with a student's truly held religious belief;
- traveling out of state to attend a Board-approved enrichment activity or extracurricular activity (applies to absences of up to 24 school hours);
- college visitation;
- absences due to a student's placement in foster care or change in foster care placement or any court proceedings related to their foster care status;
- absences due to a student being homeless;
- temporary internet outage for individual students or households;
- technical difficulties for individual students or households occurring at inopportune times such as during a teacher-led remote learning lesson;
- absences due to COVID-19 reasons that are not considered medically excused until alternative arrangements can be made or
- as determined by the Superintendent.

The District makes an attempt to contact the parent, guardian, or other person having care of a student who has not notified the school of the student's absence that day regarding that student's absence without legitimate excuse within 120 minutes of the start of the school day. The Board authorizes the Superintendent to determine and use the appropriate notification procedure and methods consistent with State law.

Each student who is absent must immediately, upon return to school, make arrangements with his/her teacher(s) to make up work missed. Students who are absent from school for reasons not permitted by State law may, or may not, be permitted to make up work. Each case is considered on its merits by the principal and the respective teacher(s). Students who are absent due to an in-school or out-of-school suspension are permitted to make up missed classroom assignments in accordance with District level policies and procedures. Students are requested to bring a note to school after each absence explaining the reason for the absence or tardiness in accordance with procedures and timelines defined in District level policies and procedures.

The Board does not believe that students should be excused from school for vacations or other nonemergency trips. The responsibility for such absences resides with the parent(s), and they must not expect any work missed by their child to be retaught by the teacher. If the school is notified in advance of such a trip, reasonable efforts are made to prepare a general list of assignments for the student to do while he/she is absent.

The district will follow current Ohio Revised Code (ORC) which may provide more guidance than the current board policies. Current ORC outlining excessive absences, habitual truancy and excuse from school attendance include: 3321.191, 2151.011 and 3301-69-02.

**Richland County Court of Common Pleas: JUVENILE DIVISION COURT ATTENDANCE TRUANCY PROCESS** as outlined in 2023-2024 that will result in an Official Hearing:

COUNT I- TRUANCY (Juvenile) Official Complaint

- Absent 30 Consecutive Hours
- Absent 42 Hours in one Month
- Absent 72 Hours in one Year

COUNT II - FAILURE TO SEND (Adult)

### **TARDY TO SCHOOL**

Students must be to school and in class on time. Tardiness is defined as not being in school prior to 7:55 a.m. **Fourth and Fifth Grade Students who are tardy to school 5 times will receive a two hour Friday School.**

### **ATTENDANCE NOTES**

Parents must call the school to notify us of a student's absence. Please call 886-3244 Option 2 (during school hours) before 8:30am. Upon returning to school a student must have a written note explaining the reason for the absence. **ALL STUDENTS REGARDLESS OF A CALL FROM A PARENT, ARE CONSIDERED UNEXCUSED UNTIL A NOTE IS RECEIVED.**

### **STUDENT DRESS CODE**

Students should dress for school in a modest manner that displays respect for themselves, their peers, their school and community. It is the belief of the school that some dress or attire may cause a distraction to the school day and the learning process or be a safety hazard. Furthermore, it is a belief that schools are a direct reflection of the standards and expectations of the community. To demonstrate that these standards and expectations are followed, the following guidelines will be enforced for the school day and school sponsored events. Students have the right to wear clothing and have an appearance that is comfortable and displays their personality as long as it fits within the following guidelines:

1. No clothing is to display any profanity, obscene or suggestive innuendos or sayings. There are to be no alcohol, drug references or references to weapons and/or violence on any item of clothing. Clothing and appearance may not be used to intimidate or create tension amongst the population.
2. Clothing must not pose a safety hazard and should not have deformities, loose straps, chains, or holes. All clothing should be worn as it is intended to be worn. Jeans with holes above fingertip length must have leggings or material underneath
3. Tops are to have a modest neckline, no lower than three inches below the collarbone. Tops must cover the midriff when standing, sitting and when raising hand. Undergarments should never be visible. While sleeveless tops are acceptable, the shoulder seam area must be at least three inches wide.

4. Bottoms should be school appropriate and be worn at the waist. Students may wear pants/skirts intended for everyday casual or dress up as long as they have a top or skirt/shorts that are at least fingertip length long. Once again, undergarments should never be visible.
5. Students are also to wear appropriate footwear. Appropriate footwear includes tennis shoes, dress shoes and sandals with an ankle strap. Footwear that is not appropriate includes slippers, shower shoes, flip flops, shoes with wheels and other items that may hinder walking.
6. During the normal school day, students are not permitted to wear outside coats, backpacks, hats, gloves and sunglasses. Hats are to be removed immediately upon ENTERING the building.
7. Backpacks, purses and other unnecessary items must kept in lockers or designated cubbies.

Students who do not comply with the dress code regulations will be subject to disciplinary action and may be sent home to change. Time from school will be unexcused and make-up work will not be accepted.

The decision regarding the appropriateness is at the discretion of the principal.

## **DISTRICT CELL PHONE POLICY**

*Board Adopted June, 2024*

To support school environments in which students can fully engage with their classmates, their teachers, and instruction, the Board of Education of Clear Fork Valley Local School District has determined the use of cell phones by students during school hours should be limited.

The objective of this policy is to strengthen Clear Fork Valley Local School's focus on learning, in alignment with our mission to ignite students' passion for learning, cultivate a strong foundation of knowledge, and foster a sense of community within our schools.

### ***I. Research***

Research shows that student use of cell phones in schools has negative effects on student performance and mental health. Cell phones distract students from classroom instruction, resulting in smaller learning gains and lower test scores. Increased cell phone use has led to higher levels of depression, anxiety, and other mental health disorders in children.

### ***II. Applicability***

This policy applies to the use of cell phones by students while on school property during school hours.

### ***III. Use of cell phones***

Students are prohibited from using cell phones and other cellular devices at all times.

### ***IV. Exception***

Nothing in this policy prohibits a student from using a cell phone for a purpose documented in the student's individualized education program developed under Chapter 3323 of the Ohio Revised Code or a plan developed under section 504 of the "Rehabilitation Act of 1973," 29 U.S.C. 794.

A student may use a cell phone to monitor or address a health concern.

### ***V. Cell phone storage***

Students shall keep their cell phones in a secure place, such as the student's locker or a closed backpack, at all times when cell phone use is prohibited.

### ***VI. Discipline***

If a student violates this policy, a teacher or administrator shall take the following progressively serious disciplinary measures:

Securely store the student's cell phone in a teacher- or administrator-controlled locker, bin, or drawer for the duration of the class or period.

Place the student's cell phone in the school's central office for the remainder of the school day.

Place the student's cell phone in the school's central office to be picked up by the student's parent or guardian.

Assign Friday School

### **BELLVILLE ELEMENTARY PLAYGROUND RULES**

1. **No** tackle football. If any game of football, basketball, soccer, etc. gets too rough the privilege of playing will be taken away.
2. Play in the designated recess areas.
3. **Do not** wrap swings around the poles.
4. Use the playground equipment appropriately. Climb on only what is meant to be climbed upon. Do not jump from playground equipment.
5. Stay on the cement/mulch area during inclement weather.
6. Children staying inside must have a supervising teacher.
7. Games are not to be played in a rough manner. Students are to exhibit good sportsmanship and treat each other with respect.

### **POSITIVE BEHAVIOR INTERVENTION AND SUPPORTS (PBIS)**

The students at Bellville Elementary learn about school-wide behavioral expectations. These expectations have been developed by the staff as an effective way to be proactive in managing behaviors. Visit the Bellville website ([www.cfcolts.org](http://www.cfcolts.org)) to access more information about PBIS.

### **STUDENT SUSPENSION**

#### **Board Policy JGD Last Revised 11/19/2020**

The Superintendent, principals, assistant principals and other designated administrators may suspend a student from school for disciplinary reasons outlined in the student code of conduct. A student cannot be suspended from school solely because of unexcused absences. When an employee has actual knowledge that the behavior is sexual harassment, the Title IX Coordinator must be contacted. The Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.

No period of suspension is for more than 10 school days. If, at the time a suspension is imposed, fewer than 10 days remain in the school year, the Superintendent cannot apply any or all of the period of suspension to the following year.

The Superintendent may instead require a student to perform community service or another alternative consequence for the number of hours remaining in the student's suspension. The Board directs the Superintendent to develop a list of alternative consequences that may be used. If the student is required to perform community service or another alternative consequence during the summer, he/she will be required to begin serving the consequence during the first full weekday of summer break. If a student fails to complete the community service or assigned alternative consequence, the Superintendent may determine the next course of action but still cannot require the student to serve the remaining time of the out-of-school suspension at the beginning of the following school year.

Beginning with the 2019-2020 academic year, the District will reduce the number of out-of-school suspensions for non-serious offenses, as defined by State law, for students in grades pre-K through three in accordance with State law. Such out-of-school suspensions will be eliminated by the 2021-2022 school year.

Whenever possible, principals will consult with a mental health professional under contract with the District or school prior to suspending a student in grades pre-K through three. If needed, the principal or mental health professional will assist the student's parent in locating additional mental health services.

The District permits students to complete any classroom assignments missed due to suspension. Students will receive at least partial credit upon completion of any assignment missed due to suspension. The Board directs the Superintendent to develop written procedures for completing and grading these assignments. Grade reductions are permitted, but students will not receive a failing grade on a completed assignment solely due to the student's suspension.

The guidelines listed below are followed for all out-of-school suspensions.

1. The student is informed in writing of the potential suspension and the reasons for the proposed action.
2. The student is provided an opportunity for an informal hearing to challenge the reason for the intended suspension and explain his/her actions.
3. An attempt is made to notify the parent(s) by telephone if a suspension is issued.
4. Within one school day, a letter is sent to the parent(s) stating the specific reasons for the suspension and including notice of the right to appeal such action.
5. Notice of this suspension is sent to the:
  - a. Superintendent and
  - b. student's school record (not for inclusion in the permanent record).
6. Permanent Exclusion - If the offense is one for which the District may seek permanent exclusion, the notice contains that information.

Appeal Procedure: Should a student or a student's parent(s) choose to appeal the principal's suspension, he/she must do so within 10 calendar days of the notice of suspension. The appeal shall be in writing and made to the Superintendent. If dissatisfied with the Superintendent's decision, an appeal may be made to

the Board. At the request of the student or of the student's parent(s) or attorney, the meeting may be held in executive session. All witnesses are sworn and a verbatim record is kept of the hearing. The decision of the Board shall be acted upon at a public meeting. The student may be excluded from school during the appeal process.

## **STUDENT EXPULSION**

### **Board Policy JGE Last Revised 11/19/2020**

At times, the behavior of a student can be considered so serious as to justify total removal from the educational program for a prolonged period of time. Actions meriting expulsion are outlined in the student code of conduct. A student cannot be expelled from school solely because of unexcused absences. When an employee has actual knowledge that the behavior is sexual harassment, the Title IX Coordinator must be contacted. The Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process.

Only the Superintendent may expel a student. Expulsion is the removal of a student for more than 10 days, but not more than one year. An expulsion can extend beyond the end of the school year if there are fewer school days than expulsion days remaining. The Superintendent may apply any remaining part or all of the period of the expulsion to the following school year.

The Superintendent may require a student to perform community service in conjunction with or in place of an expulsion. The Board may adopt guidelines to permit the Superintendent to impose a community service requirement beyond the end of the school year in lieu of applying the expulsion into the following school year.

Whenever possible, principals will consult with a mental health professional under contract with the District or school prior to expelling a student in grades pre-K through three. If needed, the principal or mental health professional will assist the student's parent in locating additional mental health services.

Beginning with the 2019-2020 academic year, the District will reduce the number of expulsions for non-serious offenses, as defined by State law, for students in grades pre-K through three in accordance with State law. Such expulsions will be eliminated by the 2021-2022 school year.

The Superintendent shall give the student and parent(s) written notice of the intended expulsion, including reasons for the intended expulsion. The student and parent(s) or representative have the opportunity to appear on request before the Superintendent/designee to challenge the action or to otherwise explain the student's actions. This notice shall state the time and place to appear, which must not be fewer than three days nor more than five days after the notice is given.

Within 24 hours of the expulsion, the Superintendent shall notify the parent(s) of the student and the Treasurer.

The notice shall include the reasons for the expulsion, the right of the student or parent(s) to appeal to the Board or its designee, the right to be represented at the appeal and the right to request that the hearing be held in executive session. The Superintendent will initiate expulsion proceedings against a student who

has committed an act that warrants expulsion even if the student withdraws from school before the Superintendent has held the hearings or made the decision to expel the student.

Permanent Exclusion: If the offense is one for which the District may seek permanent exclusion, the notice shall contain that information.

Appeal to the Board: A student or a student's parent(s) may appeal the expulsion by the Superintendent to the Board or its designee. The expulsion appeal must be within 14 calendar days after the notice of intent to expel was provided to the student, parent, guardian or custodian. The appeal request shall be in writing to the Treasurer and at the request of the student or of the student's parent(s) or attorney, the meeting may be held in executive session. The student may be represented in all such appeal proceedings and is granted a hearing before the Board or its designee. All witnesses are sworn and a verbatim record is kept of the hearing. The decision of the Board shall be acted upon at a public meeting. The student may be excluded from school during the appeal process.

### **EMERGENCY REMOVAL OF A STUDENT**

#### **Board Policy JGDA Last Revised 11/19/2020**

If a student's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, the Superintendent, principal, assistant principal or personnel employed to direct, supervise or coach a student activity program may remove the student from the premises. When the behavior is sexual harassment as defined by Title IX regulations, the student may be removed on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the student with notice and an opportunity to challenge the decision immediately following the removal.

If either suspension or expulsion is contemplated, a due process hearing is held on the next school day after the removal is ordered. Written notice of the hearing and the reason for removal and any intended disciplinary action is given to the student as soon as practicable prior to the hearing. The student has the opportunity to appear at an informal hearing before the principal, assistant principal and the Superintendent/designee and has the right to challenge the reasons for the removal or otherwise explain his/her actions. The person who ordered or requested the removal is present at the hearing. Within one school day of the decision to suspend, written notification is given to the parent(s) of the student. This notice includes the reasons for the suspension and the right of the student or parent(s) to appeal to the Superintendent/designee.

If the Superintendent or principal reinstates a student prior to the hearing for emergency removal, the teacher may request, and is given, written reasons for the reinstatement. The teacher cannot refuse to reinstate the student.

In an emergency removal, a student can be kept from class until the matter of the alleged misconduct is disposed of either by reinstatement, suspension or expulsion. Students in grades pre-K through three may only be removed for the remainder of the school day and must be permitted to return the following school day. The District may only proceed with a related suspension or expulsion in compliance with State law. In all cases of normal disciplinary procedures in which a student is removed from a curricular or

extracurricular activity for less than 24 hours and is not subject to further suspension or expulsion, due process requirements do not apply.

## **LIBRARY POLICY**

### **CHECK OUT PROCEDURE**

All library materials must be checked out before a student leaves the library.

**Students must use their own library card to check out a book. They should not let anyone borrow the books they check out. The student checking out the book is the one responsible for any damages.** Books are checked out for two weeks. Items may be renewed if there are no other requests. Renewals must be made in person with the item to be renewed. No more than three books may be checked out at a time.

### **OVERDUE LIBRARY MATERIALS**

1. Students need to return books by the due date.
2. All financial obligations regarding library costs/fines must be satisfied by May 15<sup>th</sup> for that school year.
3. If a library book is lost/damaged, it should be replaced by a book with the same title (hardback replaced by hardback and paperback by paperback).
4. An Accelerated Reader book must be replaced with the same title.
5. Other books must be replaced with another book (in good condition) of the same subject, ie: baseball for baseball, dinosaur for dinosaur. Otherwise, the book must be paid for at the current replacement cost within a month of loss/damage.

### **LIBRARY RULES**

Your library is available for reading and research Monday through Friday. A quiet atmosphere is expected. Do not bring food, drink, or backpacks to the library. School rules also apply when in the library.

## **SPECIALIZED PROGRAMS** **TITLE VI, TITLE IX, SECTION 504**

Pursuant to the requirement of Title VI, Title IX and Section 504, the Clear Fork Valley Local School District has a policy of non-discrimination that extends to students, staff, the general public and individuals with whom it does business. The policy of non-discrimination applies to race, national background, religion, sex, economic status, age and handicap.

The district has formal procedures for reviewing any concerns in these areas. The Title VI, Title IX and Section 504 Coordinator is the superintendent of Clear Fork Valley Local Schools, telephone number (419) 886-3855.

## **GIFTED IDENTIFICATION POLICIES**

Clear Fork Valley Local Schools have adopted Ohio's mandated Gifted Child Plan, which will standardize identification procedures throughout the state and will identify students in second and fourth grade with advanced learning needs in the areas of:

- Superior Cognitive Ability
- Specific Academic Ability
- Visual or Performing Arts

You will be notified by the school if your child qualifies. Written Education Plans (WEPs) will be written the first month of school and our team will meet with families to review the plan. If you have questions/concerns about the Gifted program, contact the Gifted Intervention Specialist, Mrs. Kathy Quickle at 419-886-3855 or [quicklek@cfcvolts.org](mailto:quicklek@cfcvolts.org).

## **HAZING AND BULLYING**

(Harassment, Intimidation and Dating Violence) Board Policy JFCF Last Revised 11/19/2020

Hazing means doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Throughout this policy the term bullying is used in place of harassment, intimidation and bullying. Bullying, harassment and intimidation is an intentional written, verbal, electronic or physical act that a student has exhibited toward another particular student more than once. The intentional act also includes violence within a dating relationship. The behavior causes mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. This behavior is prohibited on school property, on a school bus or at a school-sponsored activity.

Students found responsible for harassment, intimidation or bullying by an electronic act may be suspended. Discipline procedures will not infringe on any student's rights under the First Amendment to the Constitution of the United States. When the behavior is sexual harassment, the Title IX sexual harassment grievance process will be followed, if applicable, prior to imposing any discipline that cannot be imposed without resolution of the Title IX process. Permission, consent or assumption of risk by an individual subjected to hazing, bullying and/or dating violence does not lessen the prohibition contained in this policy.

The District includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7 to 12. This instruction includes recognizing warning signs of dating violence and the characteristics of healthy relationships.

Prohibited activities of any type, including those activities engaged in via computer and/or electronic communications devices or electronic means, are inconsistent with the educational process and are prohibited at all times. The District educates minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response.

No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate

any hazing and/or bullying activities. No students, including leaders of student organizations, are permitted to plan, encourage or engage in any hazing and/or bullying. Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include hazing, bullying and/or dating violence. If any of the prohibited behaviors are planned or discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all such activities immediately. All hazing, bullying and/or dating violence incidents are reported immediately to the principal/designee and appropriate discipline is administered.

## **EQUAL EDUCATION OPPORTUNITIES AND NON DISCRIMINATION**

### **Board Policy: Nondiscrimination AC Last Revised 11/19/2020**

The Board's policy of nondiscrimination extends to students, staff, job applicants, the general public and individuals with whom it does business and applies to race, color, national origin, ancestry, citizenship status, religion, sex, economic status, age, disability or military status. The Board does not discriminate on the basis of legally acquired genetic information. The Board does not permit discriminatory practices and views harassment as a form of discrimination. Harassment is defined as intimidation by threats of or actual physical violence; the creation, by whatever means including the use of electronic communications devices, of a climate of hostility or intimidation; or the use of language, conduct or symbols in such a manner as to be commonly understood to convey hatred, contempt or prejudice or to have the effect of insulting or stigmatizing an individual. Employees or students who engage in discrimination of another employee or student shall be subject to disciplinary action. Permission, consent or assumption of risk by an individual subjected to discrimination does not lessen the prohibition contained in this policy. No one shall retaliate against an employee or student because he/she files a grievance; assists or participates in an investigation, proceeding or hearing regarding the charge of discrimination of an individual; or because he/she has opposed language or conduct that violates this policy. Reports of discrimination and any questions about this matter should be directed to the Board Office at 419-886-3855.

## **DIRECTORY INFORMATION**

Ohio Revised Code Section 3319.321 (B) provides that "No person shall release, or permit access to, personally identifiable information other than directory information concerning any student attending public school without the written consent of the parent, guardian, or custodian of each student who is less than eighteen years of age, or without the written consent of each such student who is eighteen years of age or older.

Ohio law working within the confines of the Federal Family Educational Rights and Privacy Act, prohibits release of student records of any kind if the student's parent, or 18 year old student, informs the district that they do not consent to release of any or all of the information. Student directory information may be released unless the parent/legal guardian requests otherwise.

It is the policy of the Board of Education to maintain confidentiality of information regarding all our students. Only directory information is released. Directory information is that information used to publish athletic programs, school musicals, and award programs. Parents who desire to have the school withhold even directory information may contact the school to formally make that request.

## **STUDENT RIGHTS AND RESPONSIBILITIES**

### **Board Policy JF Last revised 11/19/2020**

Students, like all citizens, have civil rights guaranteed by the Constitution of the United States. The First Amendment, which ensures the freedom of religion, speech, press, assembly and petition, and the Fourteenth Amendment, which guarantees due process and equal protection, apply in school environments.

The rights of an individual are preserved only by the protection and preservation of the rights of others. A student is responsible for the way rights are exercised and must accept the consequences of actions and recognize the boundaries of rights. Each exercise of an individual's rights must demonstrate respect for the rights of others.

These statements set forth the rights of students and the responsibilities that are inseparable from these rights, which include the right to:

1. equal educational opportunity and freedom from discrimination and the responsibility not to discriminate against others;
2. attend free public schools; the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school;
3. due process of law with respect to suspension and expulsion;
4. free inquiry and expression and the responsibility to observe rules regarding these rights and
5. privacy, which includes privacy with respect to the student's school records.

As part of the educational process, students should be made aware of their legal rights and of the legal authority of the Board to make rules and delegate authority to its staff to make rules necessary for the orderly operation of the schools.

## **AUTHORITY OF ADULT SCHOOL EMPLOYEES**

All of the adults employed by Clear Fork Valley Local Schools have certain responsibilities to the school. In order to carry out these responsibilities, they have certain authority to correct students if the need arises. If an adult employee corrects a student, whether the employee is faculty, clerical, cafeteria staff, custodial staff, or a bus driver, the student is expected to accept such correction. The same consideration is expected if the adult is a substitute staff member or a parent volunteer.

## **TEACHER QUALIFICATIONS AVAILABLE**

In accordance with federal law parents may request information about the certification/licensure and qualifications of the teachers of their children. Parents interested in seeking this information should contact the Board of Education.

## **SCHOOL AND PERSONAL PROPERTY**

The school property is here for your convenience and benefit. Considerable efforts have been made by the citizens of this school district to provide you with good furniture and equipment. Do not detach, destroy, or lessen its use or utility by your actions. Students will be asked to replace or repair property or

furniture that has been needlessly marked, lost or destroyed. Take your share of responsibility for the attractive appearance of the school building and grounds.

## **ADMINISTERING MEDICINES TO STUDENTS**

### **Board Policy JHCD-R -4 Last Revised 11/15/2012**

#### **MEDICATION ADMINISTRATION OF NONPRESCRIPTION MEDICATIONS:**

In compliance with policy JHCD: Medication Administration to Students, the Board of Education urges parents to schedule a student's medication outside of school hours. Parent-recommended, over-the-counter short-term medications such as pain relievers, anti-inflammatory medications, and antihistamines may give symptomatic relief to students, thereby enabling learning and reducing classroom disruptions. These medications may be administered without written instructions from a licensed physician if administered in accordance with the following:

1. There shall be written instructions from the parent or guardian on the Medication Administration Authorization form specifying the medication, the amount of medication to be given, the time and frequency in which it may be taken, and the reason for its administration.
2. The medication shall be in its original container with its original label.
3. The medication shall be stored and secured in the office/clinic. Medication must be picked up at the end of the school year or it will be disposed of.
4. New forms must be submitted each school year and with each new medication. New forms must be submitted when any changes occur in the original medication, dose, or time.
5. The person designated to administer the medications shall maintain documentation on the medication log.
6. No employee who is authorized by the Board to administer medication is liable for the benefits/consequences of the medication when it is parent-prescribed.

#### **LIFE THREATENING ALLERGIES:**

Parents are responsible for informing the school of their child's allergies; especially life threatening allergies to bee stings and peanuts or other foods.

In the case of ALLERGIES, the PARENTS ARE RESPONSIBLE for providing the school with the allergy medication and a doctor's statement about how the medication is to be administered.

In the case of allergies requiring an EPI-PEN or Antihistamine, the PARENTS ARE RESPONSIBLE for providing the school with the medication and doctor's orders for administering the medication.

#### **EMERGENCY MEDICAL AUTHORIZATION FORM**

These forms are sent home the first week of school. Parents are required by law to have this form on file at school. If any information changes, please keep us informed.

## **IMMUNIZATIONS**

In order to comply with the state law, students are required to have the following immunizations upon entering school:

- MMR'S – 2 doses
- DTP/DtaP injections – 5 doses
- POLIO VACCINE – 4 doses
- HEPATITIS B – 3 doses
- VARICELLA – 2 doses

Children who do not have evidence of proper immunizations will be excluded from school after 15 days. Students must have a TB Test on record after the age of four.

Immunization exemption forms are available in the office for medical, philosophical or religious objections to immunizations.

## **RECOMMENDED GUIDELINES FOR KEEPING CHILDREN HOME**

It is sometimes difficult to decide when and how long to keep an ill child home from school. The timing of the absence is often important in order to decrease the spread of disease to others and to prevent your child from acquiring any other illness (es) while his/her resistance is lowered. The following guidelines represent the more common childhood illnesses and the recommendations of the School Nursing Services.

**CHICKEN POX:** A skin rash consisting of small blisters that leave scabs. A slight fever may or may not be present. There may be blisters and scabs all present at the same time. Your child should remain home until all blisters have scabbed over, usually 5-7 days after the appearance of the first crop of blisters.

**COMMON COLD:** Irritated throat, watery discharge from the nose and eyes, sneezing, chilliness and general body discomfort. Your child should remain home if symptoms are serious enough to interfere with your child's ability to learn. Medical care should be obtained if symptoms persist beyond 7-10 days, fever develops, or discharge becomes yellow to green.

**COVID 19:** Temperature above 100.0, cough, chills, muscle pain, shortness of breath or difficulty breathing, sore throat, loss of taste or smell. Symptoms can range from mild to severe and appear 2-14 days after you are exposed to the virus. Seek medical care for the most accurate diagnosis.

**FEVER:** If your child's temperature is 100 degrees Fahrenheit or greater (or 1 or 2 degrees above the child's normal temperature) she/he should remain home until she/he has been without fever for a full 24 hours without fever reducing medications. Remember, fever is a symptom indicating the presence of an illness.

**FLU:** Abrupt onset of fever, chills, headache and sore muscles. Runny nose, sore throat and cough are common. Your child should remain home from school until symptoms are gone and the child is without fever for 24 hours.

**HEAD LICE:** If a child is found to have head lice and/or nits, the parent will be notified by phone. The child may remain at school with nits identified and at the discretion of school personnel if live lice are seen. IT IS THE EXPECTATION THE CHILD WILL BE

TREATED THAT EVENING AND WILL RETURN TO SCHOOL THE NEXT DAY. There are NO excused absences associated with head lice treatment. Information on treatments and measures to get rid of head lice will be provided to the parent. The school nurse can also provide information. A parent must accompany the child to school the following day. If there is no active infestation and the number of nits is decreased, the child will remain in school. Please see the Board Policy JHCCB for more information on the policy.

**IMPETIGO:** Blister-like lesions that later develop into crusted pus-like sores. Your child should remain home from school until receiving 48 hours of antibiotic therapy and sores are no longer draining. **PAIN:** If your child complains, or behavior indicates that she/he is experiencing persistent pain, she/he should be evaluated by a physician before your child is sent to school.

**PINKEYE:** Redness and swelling of the membranes of the eye with burning or itching discharge coming from one or both eyes, or crusts on the eyelids. Your child should remain home from school until receiving 24 hours of antibiotic therapy and discharge from the eyes has stopped. Spread of infection can be minimized by keeping the hands away from the face, good hand washing practices, using individual washcloths and towels, and NOT touching any part of the eyes with the tip of the medication applicator while administering the antibiotic ointment.

**RINGWORM:** Student must be under treatment and the area covered to participate at school. **SKIN RASHES:** Skin rashes of unknown origin accompanied by a fever should be evaluated by a physician before your child goes to school.

**STAPH INFECTIONS:** Students may return after 24 hours of treatment. All open sores must be covered with a bandage.

**STREP THROAT AND SCARLET FEVER:** Strep throat begins with fever, sore and red throat, pus spots on the back of the throat and tender swollen glands of the neck. With scarlet fever, there are all the symptoms of strep throat as well as a strawberry appearance to the tongue and rash of the skin. High fever, nausea and vomiting may also occur. Your child should remain home from school until receiving a full 24 hours of antibiotic therapy and until without fever or vomiting for 24 hours. Most physicians will advise rest at home 1-2 days after a strep infection. Antibiotics ordered for strep infections are to be taken for 10 days or until all medication is gone. Only when these directions are followed correctly is the strep germ completely eliminated from the body, no matter how well the child feels after the first few days of receiving medication.

**UPPER RESPIRATORY TRACT INFECTION:** Children with mild cases may remain in school even if it is associated with green or yellow nasal discharge, as long as the child does not have a fever. If the child has a persistent cough lasting more than 5 days or with a fever, a more serious illness may be present and requires a physician's evaluation before returning to school.

VOMITING AND DIARRHEA (INTESTINAL VIRAL INFECTIONS): Stomach ache, cramping, nausea, vomiting and/or diarrhea, possible fever, headache, and body aches. Your child should remain at home until without vomiting, diarrhea or fever for a full 24 hours without medication. If your child has had any of these symptoms during the night she/he should not be sent to school the following day.

## **8. Internet Safety**

### General Warning

All users are advised that access to the electronic network may include the potential for access to inappropriate materials. Every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites.

### Personal Safety

Be Safe. In using the computer network and Internet, do not reveal personal information such as your home address or telephone number. Do not use your real last name or any other information that might allow a person to locate you without first obtaining your permission. Regardless of your age, you shall never agree to meet a person you have only communicated with on the Internet in a secluded or in a private setting.

### Active Restriction Measures

The Clear Fork Valley Local School District, either by itself or in combination with the Information Technology Center (NCOCC) providing the Internet access, will utilize filtering software or other technologies to prevent users from accessing visual depictions that are (1) obscene, (2) child pornography, or (3) harmful to minors. Although the Valley Local School District subscribes to an Internet filtering service, the Internet changes constantly and the filter will not always provide absolute protection from inappropriate materials. Therefore, the district will also monitor the online activities of users, through direct observation, and/or technological means, to ensure that users are not accessing such depictions or any other material that is inappropriate.

### Blogs/Wikis

The use of blogs/wikis is considered an extension of your classroom. Therefore, any speech that is considered inappropriate in the classroom is inappropriate in a blog. This includes, but is not limited to, profanity; racist, sexist or discriminatory remarks; personal attacks and/or individual or group harassment. Blogs/wikis are used primarily as learning tools to extend conversations and dialogue beyond the parameters of the classroom time period. Be sure to follow all rules and guidelines offered by your teachers regarding appropriate postings to these blogs.

Blogs/wikis are used primarily as learning tools, either as extensions of conversations and thinking outside of regular class time, or as the basis for beginning new classroom discussions. Either way, students should follow all rules and suggestions that are offered by teachers regarding appropriate posting for class.

Blogs/wikis are about ideas – therefore, agree or disagree with the idea, not the person. Freedom of speech does not give you the right to be uncivil. Use constructive criticism and use evidence to support your position.

Blog safely. NEVER post personal information on the web (including, but not limited to, last names, personal details including address or phone numbers, or photographs). Do not, under any circumstances, agree to meet someone you have met over the Internet.

Due to your login to the blogging site (e.g., Blogger) being typically linked to your profile, any personal blog you create in class is directly linked to your class blog and must follow teacher prescribed blogging guidelines. In addition to not sharing too much personal information in your profile or any posts/comments you make, you must realize that anywhere and/or anytime you use this login, the information links back to your class blog. Therefore, anytime you use this login when posting to a separate personal blog, commenting on someone else's blog, etc., you need to follow the same guidelines as a school blog. If any inappropriate comments and/or content appear on your personal blog, it must be deleted. If you cannot follow these guidelines, a separate login to the blogging site needs to be created so the class blog is not connected. You may not use this login from school computers. Pictures may be inserted into a blog. Images need to be appropriate to the school document they are linked to and copyright laws are to be followed.

## **9. Failure to Follow Policy**

Use of the Clear Fork Valley Local School District's network and Internet is a privilege, not a right. A user who violates this policy, shall at a minimum, have his or her access to the computer network and Internet terminated. A user violates this policy by his or her own actions or by failing to report any violations by other users that come to the attention of the user. Further, a user violates this policy if he or she permits another to use his or her account or password to access the computer network and Internet, including any users whose access has been denied or terminated. The Clear Fork Valley Local School District may also take other disciplinary action in such circumstances.

All users must sign the Acceptable Use Policy. The failure to sign this policy will result in the denial of network resources. In addition, students may be asked to sign a new policy to reflect developments in the law or technology.
