District Mission Statement: *Striving to Exceed Expectations*

Clear Fork Valley Board of Education Meetings are for the purpose of conducting the business of the district. School board meetings are formal business meetings held in public. A school board meeting serves as a platform for the board members to collaboratively work together to address matters that impact the educational journey of our students. As stewards of this district, we are committed to making informed decisions that prioritize the well-being and academic growth of every student in our care. Thank you for your presence and your dedication to the betterment of our district's educational landscape.
