Public Participation at Board Meetings

All meetings of the Board and Board-appointed committees are open to the public.

In order for the Board to fulfill its obligation to complete the planned agenda in an effective and efficient fashion, a maximum of 30 minutes of public participation may normally be permitted at each meeting. However, the Board reserves the right to dispense with public input at any given meeting. Public input will not be received at special meetings except upon a vote of the Board.

Each person addressing the Board shall sign a form prior to the opening of the meeting and give his/her name and address, and group affiliation, if applicable, and topic. If several people wish to speak, each person is allotted three minutes until the total time of 30 minutes is used. During that period, no person may speak more than once on the same topic. No person may speak more than once during a meeting until all who desire to speak have had the opportunity to do so. Individuals may not request to speak during public participation. No individual may cede their allotted speaking time to another individual. Persons desiring more time should follow the procedure of the Board to be placed on the regular agenda. The period of public participation may be extended by a vote of the majority of the Board, present and voting. The Board requires that public participants be:

1. District residents, taxpayers, employees or students;
2. representatives of contractors eligible to bid on materials or services solicited by the Board or
3. a representative of a group in the community or District.

All such participants must have a legitimate interest in a contemplated action of the Board.

All statements shall be presented from the lectern / dais and shall be directed to the presiding officer; no person may address or question Board members individually. Board members may ask questions of the speaker for information or clarification and may or may not make comments in response to a speaker's remarks. No Board member has the power or authority to act for the Board; therefore, no response from an individual Board member shall be interpreted as an official action of the Board.

The Board vests in its President the authority to:

1. interrupt, warn or terminate a participant's session when they make comments that are repetitive, obscene and/or comments that constitute a true threat (i.e., statements meant to frighten or intimidate one (1) or more specified persons into believing that they will be seriously harmed by the speaker or someone acting at the speaker's behest);
2. request any individual to stop speaking and/or leave the meeting when that person does not observe reasonable decorum or is disruptive to the conduct and/or orderly progress of the meeting;
3. request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the conduct and/or orderly progress of the meeting;
4. call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action and
5. waive these rules with the approval of the Board when necessary for the protection of privacy or the administration of the Board's business.

The portion of the meeting during which the participation of the public is invited shall be limited to thirty (30) minutes unless extended by a vote of the Board. The Board may further limit the total time for comment and/or may reduce the time allotted for each speaker and will announce such a change in advance
